### **Old Business:**

**Ag Day review** - The petting zoo was great.

The rain date & location made for a lower turnout.

The Wayside inn Farmer's market was a great location.

L Abrams suggested we choose an early date & a rain date, if possible. We need to check with the Wayside Inn for dates.

Ben Maron had the largest pumpkin, 67 pounds. K Hodder said it would be nice if we could put this information on the town Agricultural web page.

Also suggested is a thank you note to farmers for their donations.

J Donovan suggest more publicity for next year's event especially at the fire station.

Give out the seeds earlier next year. Maybe a note at the fire station that seeds are available. New places for availability of seeds are the library & town meeting.

### **New Business:**

L Abrams said the Agricultural Town Report is due November 20<sup>th</sup>. All approved of the report.

### **Future Meeting:**
