	Hudson ConCom				X																			
	Road Work																							
	MH#3-MH#4										**2ea Crews**													
Marisa	Excavate																							
Jim	Conduit Installation																							
Oscar	Concrete Installation																							
	FTB Installation																							
	MH#4-MH#5																							
Nelson	Test Pit Wilkins Crossing																							
	Road Crossings																							
Ricky	Dutton Road Crossing (Sudbury, MH#17-MH#18) - Ductbank Crossing - Competed 9/18/23																							
	Dutton Road Crossing (Sudbury, MH#17-MH#18) - Patching - Completed 9/19/23																							
Nelson	Horse Pond Road Crossing (Sudbury, MH#21-MH#22)																							
	Union Ave Crossing (Sudbury, MH#24-MH#25)																							
ET&L	**Chestnut St Bridge Work**																							
	Install SOE Side 1 (South) - Completed 8/18/23																							
	Install SOE Side 2 (North) - Completed 8/18/23																							
	Footing Installations - Completed 8/25/23																							
	Subgrade / Backfill Base - Completed 9/11/23																							
	Precast Installation (Arches & Wingwalls)																							
	Backfill & SOE Removal																							
	Road Restoration																							
	Sloping / Fencing																							
	ROW Work																							
	Segment 9 (Dutton to Peakham)																							
	Clearing - completed 2/3/23																							
	E&S Control Installation - Completed 3/8/23																							
	Rail & Tie Removal - Completed 2/22/23																							
ET&L	Cut & Fill - completed less import material (residential)																							
	Segment 11 (Horse Pond to Union)																							
	Construction Entrances - completed 11/4/22																							
	Clearing - Completed 2/23/23																							
	E&S Control Installation - Completed 3/21/23																							
	Rail & Tie Removal - Completed 3/9/23																							
ET&L	Cut & Fill - completed less import material (commercial)																							
	MH#6-MH#7 (Segment 1-2 - Wilkins to Bridge 130)																							
Ricky	Excavate Ductbank - Completed 8/30/23																							
	Conduit Installation - Completed 8/31/23																							
	Concrete Installation - Completed 9/1/23																							
	FTB Installation - Completed 9/1/23																							
	Final Grade																							
	MH#7-MH#8 (Segment 2-3 - Bridge 130 to Main)																							
	Excavate Ductbank - Completed 4/20/23																							
	Conduit Installation - Completed 4/20/23																							
	Concrete Installation - Completed 4/21/23																							
	FTB Installation - Completed 4/21/23																							
	Final Grade																							
	MH#8-MH#9 (Segment 3-4 Bridge 130 to Parmenter)																							
	Excavate Ductbank - Completed 3/20/23																							
	Conduit Installation - Completed 3/21/23																							
	Concrete Installation - Completed 3/22/23																							
	FTB Installation - Completed 3/22/23																							
	MH#9-MH#10 (Segment 3-4 Bridge 130 to Parmenter)																							
	Excavate Ductbank - Completed 3/6/23																							
	Conduit Installation - Completed 3/7/23																							
	Concrete Installation - Completed 3/8/23																							
	FTB Installation - Completed 3/8/23																							
	MH#10-MH#11 (Segment 4 - Main to Parmenter)																							
	Excavate Ductbank - Completed 3/31/23																							
	Conduit Installation - Completed 4/3/23																							
	Concrete Installation - Completed 4/4/23																							
	FTB Installation - Completed 4/4/23																							
	Final Grade																							
	MH#11-MH#12 (Segment 5 - Parmenter to White Pond)																							
	Excavate Ductbank - Completed 5/12/23																							
	Conduit Installation - Completed 5/12/23																							
	Concrete Installation - Completed 5/12/23																							
	FTB Installation - Completed 5/12/23																							
	Final Grade																							
	MH#12-MH#13 (Segment 5 - Parmenter to White Pond)																							
	Excavate Ductbank - completed 7/21/23																							
	Conduit Installation - completed 7/21/23																							
	Concrete Installation - completed 7/24/23																							
	FTB Installation - completed 7/24/23																							
	Final Grade																							
	MH#13-MH#14 (Segment 6 - White Pond Road to Town Line)																							
John	Excavate Ductbank - Start 9/19/23																							
	Conduit Installation																							
	Concrete Installation																							
	FTB Installation																							
	MH#14-MH#15 (Segment 6/7)																							
John	Excavate Ductbank																							
	Conduit Installation																							
	Concrete Installation																							
	FTB Installation																							
	MH#15-MH#16 (Segment 7 - Town Line to Bridge 128)																							
John	Excavate Ductbank - Completed 9/8/23																							
	Conduit Installation - Completed 9/11/23																							
	Concrete Installation - Completed 9/12/23																							
	FTB Installation - Completed 9/12/23																							
	Final Grade																							
	MH#16-MH#17																							
	Excavate Ductbank																							
	Conduit Installation																							
	Concrete Installation																							
	FTB Installation																							
	Final Grade																							
	MH#17-MH#18 (Segment 8 - Bridge 128 to Dutton Rd)																							
	Excavate Ductbank - 300' Remaining																							
	Conduit Installation - 300' Remaining																							
	Concrete Installation - 300' Remaining																							
	FTB Installation - 300' Remaining																							
	MH#18-MH#19 (Segment 9 - Dutton Rd to Peakham Rd)																							
	Excavate Ductbank																							
	Conduit Installation																							
	Concrete Installation																							
	FTB Installation																							
	MH#26-MH#27 (Segment 14 - Bridge 127 to SSS)																							
Marisa	Excavate Ductbank																							
	Conduit Instalation																							
	Concrete Installation																							
	FTB Installation																							
	Wall #1 (Segment 1)																							
	Four / Pour / Strip Wall																							
	Wall #2 (Segment 1)																							
	Four / Pour / Strip Wall																							
	Bridge 127 (Segment 13 & 14)																							
	Installing Sheeting (14) - completed 7/28/23																							
	Demo Bridge 127 - completed 7/31/23																							
	Installing Sheeting (13) - completed 8/8/23																							
	Abutment Excavation & Install Walers (14) - Completed 8/16/23																							
	Abutment Excavation & Install Walers (13) - Completed 8/18/23																							
	Form, Rebar, & Pour Bridge Abutment Footings (13) - Completed 9/8/23																							
	Form, Rebar, & Pour Abutment Wall (13) - Completed 9/8/23																							
	Strip Forms & Backfill (13) - Completed 9/19/23																							
	Form, Rebar, & Pour Abutment Wall (14) - Completed 9/19/23																							
	Strip Forms & Backfill (14)																							
	Bridge 128 (Segment 7 & 8)																							
	Bridge Buildout (2 months)																							
	Bridge 130 (Segment 2 & 3)																							
	Meeting w/ Hudson ConComm - Held 9/5/23																							
	Removal of Existing Dam																							
	Bridge Demo																							
	Install Sheeting (3)																							
	Abutment Excavation & Install Walers (3)																							
	Install Sheeting (2)
