	Kinder Morgan																							
	Road Work																							
	MH#2-MH#3																							
Oscar	Excavate																							
	Conduit Installation																							
	Concrete Installation																							
	FTB Installation																							
	MH#4-MH#5																							
Josh	Excavate																							
	Conduit Installation																							
	Concrete Installation																							
	FTB Installation																							
	Road Crossings																							
	White Pond Road Crossing (Hudson, MH#13-MH#14)																							
	Dutton Road Crossing (Sudbury, MH#17-MH#18)																							
	Peakham Road Crossing (Sudbury, MH#19-MH#20)																							
	Horse Pond Road Crossing (Sudbury, MH#21-MH#22)																							
	Union Ave Crossing (Sudbury, MH#24-MH#25)																							
	Boston Post Road (Sudbury, MH#24-MH#25)																							
ET&L	**Chestnut St Bridge Work**																							
	Official Start of Road Closure - Completed 6/22/23																							
	Prep Crane Pad and Area for Driving - Complete 6/23/23																							
	Install SOE Side 1 (South)																							
	Install SOE Side 2 (North)																							
	ROW Work																							
	Segment 1 (Wilkins to Chestnut)																							
	Construction Entrances - completed 11/18/22																							
	Clearing - completed 12/7/22																							
	E&S Control Installation - completed 1/20/23																							
	Rail & Tie Removal - completed 1/20/23																							
	Ledge Removal - Started 1/13/23																							
	Cut & Fill - Completed 5/12/23																							
	Segment 2 (Chestnut to Bridge 130)																							
	Construction Entrances																							
	Clearing - completed 12/6/22																							
	E&S Control Installation - completed 1/19/23																							
	Rail & Tie Removal - completed 1/13/23																							
	Cut & Fill - completed 1/31/23																							
	Elevation Re-Grading																							
	Final Grading - Completed 5/18/23																							
	Segment 3 (Bridge 130 to Main)																							
	Construction Entrances - completed 11/16/22																							
	Clearing - completed 12/14/22																							
	E&S Control Installation - completed 1/9/23																							
	Rail & Tie Removal - completed 1/11/23																							
	Cut & Fill - completed 1/18/23																							
	Final Grading - Completed 5/24/23																							
	Segment 4 (Main to Parmenter)																							
	Construction Entrances - completed 11/15/22																							
	Clearing - completed 11/23/22																							
	E&S Control Installation - completed silt fence 12/5/22																							
	Rail & Tie Removal - completed 12/28/22																							
	Cut & Fill - completed 1/11/23																							
	Segment 5 (Parmenter to White Pond)																							
	Clearing - completed 11/21/22																							
	E&S Control Installation - completed silt fence																							
	Rail & Tie Removal - completed 12/21/22																							
	Cut & Fill - completed 1/10/23																							
	PFAS Material Fill - completed 4/21/23																							
	Final Grade																							
	Segment 6 (White Pond to Town Line)																							
	Construction Entrances - completed 10/26/22																							
	Clearing - completed 11/16/22																							
	E&S Control Installation - completed silt fence 11/29/22																							
	Rail & Tie Removal - completed 12/14/22																							
	Cut & Fill - completed 12/21/22																							
	Segment 7 (Town Line to Bridge 128)																							
	Clearing - completed 1/23/23																							
	E&S Control Installation - completed 1/31/23																							
	Rail & Tie Removal - completed 2/15/23 (Black Racer Remaining)																							
	Cut & Fill - ~100' remaining w/in vernal pool & WPW																							
	Segment 8 (Bridge 128 to Dutton)																							
	Construction Entrances - completed 10/28/22																							
	Clearing - completed 1/26/23																							
	E&S Control Installation - completed 2/3/23																							
	Rail & Tie Removal - completed 2/17/23																							
	Cut & Fill - completed 2/27/23																							
	Segment 9 (Dutton to Peakham)																							
	Clearing - completed 2/3/23																							
	E&S Control Installation - Completed 3/8/23																							
	Rail & Tie Removal - Completed 2/22/23																							
ET&L	Cut & Fill - complete outside of vernal pool																							
	Segment 10 (Peakham to Horse Pond)																							
	Construction Entrances - completed 11/3/22																							
	Clearing - Completed 2/10/23																							
	E&S Control Installation - Completed 2/14/23																							
	Rail & Tie Removal - Completed 2/24/23																							
	Cut & Fill - complete outside of vernal pool																							
	Segment 11 (Horse Pond to Union)																							
	Construction Entrances - completed 11/4/22																							
	Clearing - Completed 2/23/23																							
	E&S Control Installation - Completed 3/21/23																							
	Rail & Tie Removal - Completed 3/9/23																							
ET&L	Cut & Fill - (Start Dependent on BCU Completing Ahead) (tentative 7/3)																							
	Segment 12 (Union to Boston Post)																							
	Construction Entrances - completed 11/7/22																							
	Clearing - completed 2/28/23																							
	E&S Control Installation - completed 3/21/23																							
	Rail & Tie Removal - completed 3/17/23																							
	Cut & Fill - Completed 4/4/23																							
	Segment 13 (Boston Post to Bridge 127																							
	Construction Entrances - completed 11/8/22																							
	Clearing - completed 3/3/23																							
	E&S Control Installation - Completed																							
	Rail & Tie Removal - Completed 3/27/23																							
	Cut & Fill - Completed 4/15/23																							
	Segment 14 (Bridge 127 to Sudbury SS)																							
	Construction Entrances - completed 11/10/22																							
	Clearing - completed 1/6/23																							
	E&S Control Installation - completed 1/27/23																							
	Rail & Tie Removal - completed 2/8/23																							
	Cut & Fill - complete outside of vernal pool																							
Nelson	**MH Installation**																							
	MH#14 Installation (Segment 6) - White Pond to Town Line																							
	MH#15 Installation (Segment 7) - Town Line to Bridge 128																							
	MH#16 Installation (Segment 7) - Town Line to Bridge 128																							
	MH#17 Installation (Segment 8)- Bridge 128 to Dutton Road																							
	MH#18 Installation (Segment 9)- Dutton Road to Peakham Road																							
	MH#19 Installation (Segment 9) - Dutton Road to Peakham Road																							
	MH#20 Installation (Segment 10- Peakham to Horse Pond) - Completed 6/23/23																							
	MH#28 Installation (Sudbury SS Driveway)																							
	MH#5-MH#6 (Segment 1 - Wilkins to Chestnut)																							
	Excavate Ductbank																							
	Conduit Installation																							
	Concrete Installation																							
	FTB Installation																							
	MH#12-MH#13 (Segment 5 - Parmenter to White Pond)																							
	Excavate Ductbank																							
	Conduit Installation																							
	Concrete Installation																							
	FTB Installation																							
	MH#23-MH#24 (Segment 11 - Horse Pond to Union)																							
	Excavate Ductbank																							
	Conduit Installation																							
	Concrete Installation																							
	FTB Installation																							
	Wall #1 (Segment 1)																							
	Installing Sheeting - Completed 6/26/23																							
	Wall #2 (Segment 1)																							
	Installing Sheeting - Completed 6/26/23
