

WHAT IS AN EXEMPTION?

As used in the context of real estate taxes, an exemption is a release from the obligation to pay all or a portion of the taxes assessed on certain real property. Exemptions are conferred by the state legislature (Massachusetts General Laws, Chapter 59, Section 5) on particular categories of persons or property. The categories of persons on whom exemptions are conferred are listed below, together with an explanation of the eligibility requirements for each. Exemptions are not abatements in that they do not affect the valuation of the property, but simply reduce the taxes owed. **All exemptions are subject to domiciliary requirements.

APPLICATIONS

Applications are available from the assessors' office on the first floor of the Flynn Building or from any other Massachusetts assessors' office. An application must be filed with the assessors, **each year**, within three months of the mailing date of the actual tax bill. The third quarterly bill, mailed on or about January 1, is **customarily** the actual bill. Exemptions are not processed until the actual bill is generated. The filing of the exemption application does not stay the collection of the tax, which should be paid as assessed. An exemption, even if received in prior years, is not automatically conferred but must be specifically acted upon by the Board of Assessors. The Assessors' action is discretionary only insofar as they determine that an applicant, according to the documentation he or she provides, does or does not meet the eligibility requirements. Notice of the Assessors' action will be sent to each applicant.

DOCUMENTATION

As exemptions are granted only for the primary residence, and as some exemptions are age dependent and/or means tested, an applicant must provide whatever information the assessors deem to be reasonably required to establish eligibility. The information that an applicant may be requested to furnish includes, but is not limited to: (1) birth certificates, (2) evidence of domicile and occupancy, (3) income tax, (4) bank statements.
