## Introduction

Each year, prior to the mailing of 3<sup>rd</sup> quarter tax bills, a public hearing is held by the Select Board in conjunction with the Board of Assessors. The public hearing known as the Classification Hearing provides an opportunity for the Select Board to discuss and decide on the distribution of the tax burden to be allocated among the major classes of property. Chapter 40, Section 56 of the Massachusetts General Laws, dictates the hearing procedure.

Prior to the Hearing, all properties must be assessed at their full and fair cash value as of the January 1<sup>st</sup> assessment date. The Fiscal Year 2022 assessment date is January 1, 2021.

The steps necessary to complete the Classification Hearing and Tax Rate Setting process are defined below:

## **Pre-classification Hearing Steps**

- Step 1: Determination of the property tax levy (Budget Process)
- Step 2: Determine assessed valuations (Assessors)
- Step 3: Tabulate assessed valuations by class (Assessors)
- Step 4: Obtain DOR value certification (Assessors)
- Step 5: Obtain certification of new growth revenues(Assessors)

## **Classification Hearing Steps**

- Step 6: Classification hearing presentation (Assessors & Select Board)
- Step 7: Review and discuss tax shift options (Select Board)
- Step 8: Voting a tax shift factor (Select Board)

#### **Post Classification Hearing Steps**

- Step 9: Sign the LA-5 Classification Form (Select Board)
- Step 10: Send annual recap to DOR for tax rate approval (Assessors)
- Step 11: Obtain DOR approval of tax rates (DOR)

## **Terminology**

The following represents frequently used tax discussion terminology:

<u>Levy</u>: The tax levy (or levy) is the amount of property taxes to be raised. The levy amount is determined by the budget process. The total amount of the approved budget less revenues from other sources like motor vehicle excise, municipal fees, and state aid is the amount to be raised through property taxation. In Sudbury, for Fiscal Year 2022, the levy to be raised is \$95,994,040. This represents a 3.8% increase over last year's levy of \$92,441,614.

<u>Levy Ceiling</u>: The levy ceiling is 2.5 percent of the full value of the town and represents the maximum property tax revenue that can be raised under Proposition 2 ½. Based on Sudbury's

Fiscal Year 2022 total valuation of \$5,198,464,866 the town cannot levy taxes in excess of \$129,961,622.

<u>New Growth Revenue</u>: Property taxes derived from newly taxable properties like new construction, additions, subdivisions, and personal property. The Department of Revenue has certified Sudbury's new growth for fiscal year 2022 at \$656,137.

<u>Levy Limit</u>: Also referred to as the "maximum allowable levy", the levy limit is calculated by adding 2.5 percent of the previous year's levy limit, plus new growth revenue, and proposition 2 ½ overrides, capital expenditure exclusions, and debt exclusions. The certified maximum allowable levy for fiscal year 2022 is \$96,503,371.

<u>Excess Levy Capacity</u>: Excess levy capacity is the difference between the levy and the levy limit. Sudbury's excess levy capacity is an estimated \$509,331.

#### The Fiscal Year 2022 Levy Limit and Amount to be Raised

The following is a calculation of Sudbury's estimated levy for Fiscal Year 2022.

Fiscal year 2021 levy limit	\$90,842,088
Levy increase allowed under Prop. 2 ½	2,271,052
New growth revenue	656,137
Debt excluded under Prop. 2 ½	2,734,094
Fiscal year 2022 Maximum Allowable Levy	96,503,371
Levy to be raised (rounded by tax rate)	\$95,994,040
Excess levy capacity	\$509,331

# Valuations by Class Before Tax Shift

Major Property Class	<u>Valuation</u>	<u>Percent</u>	Res vs CIP%
Residential	4,804,601,288	92.4235%	92.4235%
Commercial	215,023,558	4.1363%	
Industrial	34,203,500	0.6579%	7.5765%
Personal Property	144,636,520	2.7823%	
TOTAL	5,198,464,866	100.0000%	

## **Assessed Valuations**

Sudbury's valuations are adjusted annually to reflect changes in the real estate market. An assessment-to-sale ratio study comparing calendar year 2020 sales with fiscal year 2022 assessments indicates that most residential property valuations were assessed below fair market

value. Certain residential properties experienced significant increases in valuation, while some saw more modest increases. As a group single-family residential valuation rose approximately 7.5%. Other residential property classes, including condominium and multi-family apartment buildings, have also experienced market appreciation.

A similar study of assessments and sale prices for commercial and industrial properties indicated that property valuations for these property classes were assessed below fair market value.

Property Class	21Valuation	22Valuation	Change(apx.)
Single-family	4,055,677,200	4,361,661,902	7.5%
Condominiums	243,520,000	253,617,977	4.1%
2 Family	9,937,400	10,421.900	4.9%
Multi-family	91,350,600	98,074,000	7.4%
Commercial	183,923,300	204,988,100	11.5%
Industrial	32,737,300	34,203,500	4.5%
Personal Property *	109,526,080	144,636,520	32%

<sup>\*</sup>The increase in Personal Property valuation is by and large attributable to a change in the valuation methodology of Public Utilities Class 504 personal property. The FY 2022 valuation of Sudbury's two Class 504 utilities reflects the change in approved valuation policy. Previously the default for valuing utility assets was based solely on net book value. The accepted method now gives equal weight to the property's net book value and its reproduction cost new less depreciation.

# **Shifting the Tax Burden**

Municipalities with a large commercial/industrial tax base often see fit to shift the tax burden to help maintain lower residential taxes. Sudbury, though having a relatively small commercial tax base, has historically chosen to adopt a split tax rate.

In recent years, the Select Board has adopted a shift factor that has yielded relatively uniform tax rate increases in both the residential and commercial sectors. Though the commercial, industrial and personal property (CIP) sector makes up approximately 7 percent of the taxable valuation base, adoption of the classification shift factor (see below) has resulted in this sector paying about 9 percent of Sudbury's property taxes.

A review of community data for the 102 municipalities which have already established their FY2022 tax policy indicates little change in policy from the previous year with the following exceptions:

The City of Cambridge, and the Town of Mansfield each lowered their shifts, Cambridge from 1.51 to 1.45, and Mansfield from 1.34 to 1.18. The following communities increased their shifts

this year: Adams, Attleboro, Avon, Berlin, Chicopee, Fall River, Hadley, Lincoln, Lynnfield, Newton, North Andover, North Attleborough, Reading, Rowe, Seekonk and West Bridgewater. *See Addendum E for full list.* 

# **Tax Rates and Options**

Sudbury's uniform, single tax rate, without applying shift factors, is estimated at \$18.47 per thousand.

There are any number of tax rate options the Select Board might chose. Several that might be considered are as follows:

Option	CIP Shift	Res. Shift	CIP Tax Rate	Res. Tax
				Rate
Single Tax Rate	1.0000	1.0000	18.47	18.47
10% Shift	1.1000	0.9918	20.31	18.31
20% Shift	1.2000	0.9836	22.16	18.16
30% Shift	1.3000	0.9734	24.01	18.01
33% Shift (balanced impact)	1.3300	0.9729	24.56	17.97
40% Shift	1.4000	0.9672	25.85	17.86
50% Shift (maximum allowed)	1.5000	0.9590	27.70	17.71

See Addendum B for additional tax rate options.

Based on the balanced CIP/Res. increase scenario above, the Board of Assessors has calculated the following tax rates. The following FY2022 rates do not account for the means-tested exemption.

Property Class	<u>FY2021</u>	<u>FY2022</u>
Residential	18.83	17.97
Commercial	25.55	24.56
Industrial	25.55	24.56
Personal Property	25.55	24.56

# **Tax Impacts**

The average residential tax bill calculation would change as follows if a CIP shift factor of 1.33 were adopted:

	Average	Median
	Single-Family	
	<u>Value</u>	Single-Family Value
Fiscal Year 2021	\$745,255	\$682,450
FY21 Tax Rate	\$18.83	\$18.83
RE Tax Payable	\$14,033	\$12,851
Fiscal Year 2022	\$802,676	\$740,500
FY22 Tax Rate	\$17.97	\$17.97
RE Tax Payable	\$14,424	\$13,307
Avg. SF Home Value		
Incr.	7.70%	8.51%
Avg. Dollar Tax Increase	\$391	\$456
% Tax Increase	2.79%	3.55%

Note – the above estimates *exclude* a likely additional residential tax rate increase of approximately 9-10 cents to fund Sudbury's means-tested exemption.

The Board of Assessors point out that a CIP shift factor of 1.33 with a corresponding residential shift factor of 0.9729 would result in a "relatively" uniform tax rate increase in both sectors.

Sudbury's Tax Shift Votes (15 Year History)

Fiscal Year	CIP Value	Total Value	R/O % of Total Value	CIP % of Total Value	Lowest Residential Factor Allowed	Max CIP Shift Allowed	Residential Factor Selected	CIP Shift
2008	270,083,278	4,162,959,799	93.5122	6.4878	0.965310	1.500000	0.981268	1.26999
2009	278,781,214	4,064,434,979	93.1410	6.8590	0.963179	1.500000	0.982326	1.24000
2010	284,018,864	4,003,661,467	92.9060	7.0940	0.961822	1.500000	0.982438	1.23000
2011	274,711,172	3,874,281,828	92.9094	7.0906	0.961841	1.500000	0.978631	1.28000
2012	271,556,419	3,838,335,540	92.9251	7.0749	0.961932	1.500000	0.978938	1.27664
2013	273,337,212	3,864,083,107	92.9262	7.0738	0.961939	1.500000	0.978714	1.27963
2014	265,094,234	3,960,584,137	93.3067	6.6933	0.964132	1.500000	0.974606	1.35400
2015	263,058,002	4,088,915,905	93.5666	6.4334	0.965621	1.500000	0.973663	1.38304
2016	277,216,608	4,230,884,307	93.4478	6.5522	0.964942	1.500000	0.973356	1.38000
2017	280,876,280	4,408,953,695	93.6294	6.3706	0.965980	1.500000	0.974145	1.37999
2018	308,262,538	4,560,675,215	93.2409	6.7591	0.963754	1.500000	0.976078	1.33000
2019	331,554,958	4,728,363,583	92.9880	7.0120	0.962296	1.500000	0.975100	1.33021
2020	321,263,656	4,773,073156	93.2692	6.7308	.0.963917	1.500000	0.976300	1.32842
2021	335,996,650	4,812,305,728	93.0180	6.982	96.2470	1.500000	0.975230	1.33001
2022	393,863,578	5,198,464,866	92.4235	7.5765	.959012	1.500000	0.972900	1.33000

## **Voting a Tax Shift Factor**

If the Select Board were to balance the impact of the tax increase equally between CIP and Residential, the Board would vote as follows: The Select Board of Sudbury votes in accordance with M.G.L., Ch. 40, Sec. 56, as amended, the percentage of local tax levy which will be borne by each class of real and personal property, relative to setting the Fiscal Year 2022 tax rates and sets the Residential Factor at 0.9729, (or other selected Factor) with a corresponding CIP shift of 1.33 (or other corresponding CIP shift), pending certification of the Town's annual tax recap by the Massachusetts Department of Revenue.

# **Optional Exemptions:**

## **Residential Exemption:**

Adopting the Residential Exemption (conferred pursuant to M.G.L. c. 59, § 5C) would allow the Select Board to exempt from qualified residential properties a percentage of the average assessed value for the class. The intent of this exemption is to promote owner occupancy. The residential exemption has the effect of shifting the tax burden from the lower valued properties to higher valued properties, and those, which are not owner-occupied.

An exemption of up to 35% of the average assessed value for Class I (Residential) properties is possible. If adopted a flat, uniform valuation reduction is applied to all qualifying owner-occupied residential home valuations. The tax levy in the community does not change based on adoption of this exemption. However, to compensate for the loss in residential valuation associated with this exemption, the residential tax rate increases. The exemption will reduce property taxes on the lower valued owner-occupied residential properties, while increasing property taxes on higher valued properties, and those residential properties, which are not owner-occupied.

In FY 2021, fifteen Massachusetts cities and towns adopted the Residential Exemption. Historically, the exemption has been adopted in those communities with a high percentage of apartments and other investment property or seasonal homes. In general terms, the exemption shifts real estate taxes onto Class I properties that are not occupied as the owner's principal residence and those which may be held for investment.

Residential Exemption Communities			
Boston	35%		
Somerville	35%		
Waltham	35%		
Cambridge	30%		
Chelsea	35%		
Malden	30%		
Everett	25%		
Nantucket	25%		
Provincetown	25%		
Watertown	23%		
Brookline	21%		
Barnstable	20%		
Truro	25%		
Wellfleet	25%		
Tisbury	18%		

Sudbury's fiscal year 2022 data suggests 88% of Sudbury's homeowners could potentially meet the basic criteria for exemption this year.

# Residential Exemption Eligible and Ineligible Accounts

		Number			
Residential Taxable		of	Residential Taxable	Eligible	Ineligible
	Use				
Property by Use	Code	Accounts	Assessments by Use	Accounts	Accounts
Single Family	101	5441	4361661902	4788	653

Apartments	111-125	8	98074000	0	8
Vacant Land	130-132	385	31902900	0	385
Mixed use/Farm Homes	012-043	8	22887609	0	8
Totals		6299	4,476,309,078	5181	1118

Although many owner-occupied properties could receive a valuation exemption of up to \$266,965, the tax rate for the entire residential class would increase dramatically. One scenario

suggests a residential tax rate of \$25.93. As a result, while many residential properties would receive a tax break under the Residential Exemption option, all residential vacant land parcels, all non-owner-occupied residential properties, all properties assessed over the breakeven point of \$927,350 as well as certain properties owned in trust will be subject to a higher tax bill than without the exemption.

The following table displays a possible tax impact scenario if the maximum Residential exemption percentage of 35% were to be adopted in Sudbury.

Tax Impact of a 35% Residential Exemption

Α	В	С	D	E	F
Assessed Value	Residential Tax Rate \$18.47	Residential Exempt. Value Adjustment	Adjusted Assessed Value	Adj Residential Tax (at \$25.93	Tax Impact of Residential Exemption
300,000	5,541	266,965	33035	\$857	-\$4,684
400,000	7,388	266,965	133,035	\$3,450	-\$3,938
500,000	9,235	266,965	233,035	\$6,043	-\$3,192
600,000	11,082	266,965	333,035	\$8,636	-\$2,446
700,000	12,929	266,965	433,035	\$11,229	-\$1,700
800,000	14,776	266,965	533,035	\$13,822	-\$954
900,000	16,623	266,965	633,035	\$16,415	-\$208
927,350	17,128	266,965	660,385	\$17,124	-\$4
1,000,000	18,470	266,965	733,035	\$19,008	\$538
1,200,000	22,164	266,965	933,035	\$24,194	\$2,030
1,300,000	24,011	266,965	1,033,035	\$26,787	\$2,776
1,400,000	25,858	266,965	1,133,035	\$29,380	\$3,522
1,500,000	27,705	266,965	1,233,035	\$31,973	\$4,268
1,600,000	29,552	266,965	1,333,035	\$34,566	\$5,014
1,700,000	31,399	266,965	1,433,035	\$37,159	\$5,760
1,800,000	33,246	266,965	1,533,035	\$39,752	\$6,506
1,900,000	35,093	266,965	1,633,035	\$42,345	\$7,252
2,000,000	36,940	266,965	1,733,035	\$44,938	\$7,998
3,000,000	55,410	266,965	2,733,035	\$70,868	\$15,458
4,000,000	73,880	266,965	3,733,035	\$96,798	\$22,918

Please note; the Res tax displayed is for the purpose of illustration only. In addition, the tax rate increase associated with the Sudbury Senior Means Exemption Program is not included in this scenario.

#### **Small Commercial Exemption**

An exemption (conferred pursuant to M.G.L. c. 59, § 5I) of up to 10% of the property valuation can be granted to commercial properties (not industrial) having one or more businesses employing 10 or fewer employees in total, and an assessed value of less than \$1,000,000. Implementing this exemption requires increasing the CIP tax rate to offset lost revenues from qualifying properties.

For fiscal year 2022, 48 properties in the Town have been identified as meeting qualifying standards. Sudbury's nominal commercial class for fiscal year 2022 hosts 188 accounts. In addition, there are 8-mixed use/part commercial, 40-chapter land, and 19 industrial properties all of which would be subject to an increased tax rate generated by the adoption of a small commercial exemption. The class 3 value reduction for those qualifying properties if a 10% small commercial exemption is adopted \$ 2,316,670 approximated. The average tax savings for the 48 accounts is approximately \$982/ account.

#### Considerations:

The qualifying 48 taxpayers will receive a tax benefit. Other small businesses (not qualifying) will bear the increased burden along with larger commercial and industrial properties. Many of the small businesses appearing on the Department of Unemployment Assistance (DET) list as qualifying will not benefit from the exemption, as they are tenants in larger commercial properties with assessed values exceeding the allowable \$1,000,000 cap. The <u>vast majority</u> of Sudbury's small businesses will not stand to benefit by adoption of this exemption, as they are tenants in strip malls, and other large commercial buildings. They in fact will be penalized with an increased tax rate.

## **Open Space Exemption**

In addition to the above-mentioned options, there is one more option, to discuss briefly, since this exemption is not applicable in Sudbury at this time. It is known as the Open Space Exemption.

In order for a municipality to utilize an open space exemption, the community must first have adopted the Open Space Class. While most residential land is Class 1, there is an additional classification which may be created for some vacant land (Class 2). The definition of open space in this context is: land which is not otherwise classified and which is not taxable under provisions of chapters 61, 61A or 61B, or taxable under a permanent conservation restriction, and which land is not held for the production of income but is maintained in an open or natural condition and which contributes significantly to the benefit and enjoyment of the public.

The Open Space Class was developed to provide a tax break to land owners, as incentive to preserve open land or at least slow development. Adopting this classification would result in a discount of the residential tax obligation of up to 25% for those parcels classified as open space. Any tax savings awarded to open space property owners will be subsidized by all other residential property owners. Commercial, Industrial, and Personal Property will not be affected. Sudbury currently has 62 parcels of land enrolled in the various chapter land programs. Chapter land enrollment carries certain program withdrawal restrictions which are described below. If a community were to adopt this open space classification, any property classified as open space (not enrolled in chapter land programs) would receive the benefit of the favorable tax structure without any of the restrictions associated with the existing chapter land programs. Implementation of the Open Space Classification would take up to a year following written request of the Select Board.

# Classified Land - Chapters 61, 61A and 61B

There are three "Chapter Land" programs available: Forestry (M.G.L. Chapter 61), Agriculture / Horticulture (M.G.L. Chapter 61A), and Recreation (M.G.L. Chapter 61B).

Chapter 61 - Forestry Land is designed to encourage the preservation and enhancement of the Commonwealth's forests. A parcel must consist of at least 10 contiguous acres of land under the same ownership and be managed under a 10-year management plan approved and certified by the State Forester in order to qualify for and retain classification as forest land under Chapter 61. Chapter 61A - Agricultural and Horticultural Land is designed to encourage the preservation of the Commonwealth's valuable farmland and promote active agricultural and horticultural land use. The property must consist of at least 5 contiguous acres of land under the same ownership and be "actively devoted" to agricultural or horticultural use in order to qualify for and retain classification as agricultural or horticultural land under Chapter 61A. An equal amount of contiguous non-productive land may also qualify for classification.

For the land to be considered "actively devoted" to a farm use, it must have been farmed for the two years prior to the year of classification and must have produced a certain amount of sales. The minimum gross sales requirement is \$500 for the first 5 acres of productive land being classified.

Chapter 61B - Recreational Land is designed to encourage the preservation of the Commonwealth's open space and promote recreational land uses. Property must consist of at least 5 contiguous acres of land under the same ownership in order to qualify for and retain classification as recreational land under Chapter 61B. The land must fall into **one** of the following two categories to qualify:

It must be maintained in a substantially natural, wild or open condition or must be maintained in a landscaped condition permitting the preservation of wildlife and natural resources. It does not have to be open to the public, but can be held as private, undeveloped, open space land.

#### Liens

Once an initial application for classification has been approved, the local assessors will record a statement at the Registry of Deeds indicating that the land has been classified as forestry under Chapter 61, agricultural / horticultural land under Chapter 61A or recreational land under Chapter 61B. The statement will constitute a lien on the land for all taxes due under the respective chapters.

#### Municipal Option to Purchase

The city or town has an option to purchase any classified land whenever the owner plans to sell or convert it to a residential, commercial, or industrial use. The owner must notify by certified mail the selectmen, assessors, planning board and conservation commission of the town of any intention to sell or convert the land to those uses. If the owner plans to sell the land, the town has the right to match a bona fide offer to purchase it. If the owner plans to convert it, the city or town has the right to purchase it at its fair market value, which is determined by an impartial appraisal. The city or town may also assign its option to a non-profit, conservation organization. The owner cannot sell or convert the land until at least 120 days have passed since the mailing of the required notices or until the owner has been notified in writing that the option will not be exercised, whichever is earlier.

#### Withdrawal Tax

With each of these programs, there is a conveyance tax penalty for withdrawing land. Whenever land which is valued, assessed and taxed under this chapter no longer meets the definition of forest land, agricultural /horticultural land, or recreational land it shall be subject to additional taxes, called roll-back taxes, in the tax year in which it is disqualified and in each of the four immediately preceding tax years in which the land was so valued, assessed and taxed. For each tax year, the roll-back tax shall be an amount equal to the difference, if any, between the taxes paid or payable for that tax year in accordance with this chapter and the taxes that would have been paid or payable in that tax year had the land been valued, assessed and taxed without regard to these provisions.

A summary of Sudbury's use of the Chapter Land programs follows.

Program	Number of Properties	Total No. of Acres Enrolled	Average Acres Per Property
Agriculture/Horticulture	47	714	15.2
Forestry	6	49	8.2
Recreation	9	225	30.8
Totals	62	988	18.07

Bedford, which was the sole community in Massachusetts to utilize the Open Space Classification, discontinued that Classification in 2017. They attribute their decision to the fact that a very small number of parcels representing a small fraction of the Town's value qualified for this classification.

In Sudbury, the vast majority of the Town's taxable large land tracts are currently enrolled in at least one of the Special Chapter Land Programs conferred under M.G.L. Chapter 61, 61A and 61B.

As shown above, we currently have 62 parcels of land enrolled in the Special Chapter land programs representing just under 1000 acres.

Although there is a tax benefit associated with Chapter land program enrollment, there are also associated program withdrawal implications. One of the associated implications is the municipality's right to purchase the property should it become available for sale. In addition, there is a property tax recapture period when the property is withdrawn from its special classification whereby the municipality can recoup some of the lowered taxes.

There are no such restrictions or implications associated with the Open Space Classification designation. An owner is not restricted in developing or selling the property; the open space tax benefit would simply end.

By comparison with the chapter land programs, summarized below is the vacant land NOT in a chapter land program.

Vacant Land Summary										
	Assessed	Average Asses	sed Value							
Land Type	Land Use Code	Number	Acres	Value	Per Property	Per Acre				
Residential Land	130	42	105	17,160,700	\$408,588	\$163,435				
Residential Land (Secondary)	131	9	20.5	2,470,400	\$274,488	\$123,420				
Residential Land (Unusable)	132	316	659	5,070,700	\$16,046	\$7,694				
	Totals	367	784.5	24,701,800						

The town's current wetlands pricing of \$500/acre and residual land pricing of \$20,000/acre are also significant when considering adoption of the Open Space classification. Implementation of the Classification takes up to a year following written request of the Select Board.

## **VOTING THE EXEMPTIONS**

Example Motions/Vote(s): Residential and Small Commercial Exemption Options:

This language including negative and affirmative options speaks to the Residential Exemption:

Motion: [Not] to adopt a Residential Exemption for Fiscal Year 2022, or

**Motion:** [To] adopt a Residential Exemption for Fiscal Year 2022 of \_\_\_\_\_% of the Average of all Residential Value for those eligible residential properties, which will shift the burden within the Residential Class.

This language including negative and affirmative options speaks to the Small Commercial:

**Motion**: [Not] adopt the Small Commercial Exemption for Fiscal Year 2022, or **Motion**: [To] adopt the Small Commercial Exemption for Fiscal Year 2022 business (as) on the DET list valued at less than \$1 million, which will shift the burden within the Commercial & Industrial Classes.

The Open Space exemption cannot presently be implemented, and therefore, no vote need be taken by the Select Board with respect to this exemption.

# ADDENDUM A SUDBURY'S MEANS TESTED SENIOR TAX EXEMPTION

Finally, we are asking this evening that the Board vote on the cap to be used to fund the Sudbury Senior Means Tested Exemption Program for Fiscal year 2022. Section 3 of Chapter 169 of the Acts of 2012, specifies that the total cap on the exemptions granted by the act shall be set annually by the Select Board, within a range of .5 to 1 per cent of the residential property tax levy for the town of Sudbury. The vote is traditionally taken following the mandatory Classification Hearing votes.

Massachusetts Chapter 169 of the Acts of 2012 established, and Chapter 10 of the Acts of 2016 renewed a pilot program in Sudbury for granting certain qualified senior residents a measure property tax relief. Fiscal year 2022 is the ninth year of the program. The exemption is similar to the Residential Tax Exemption in that it shifts the tax burden from qualified residential property owners to other residential property owners. For Fiscal year 2014, the statute limited the total exemptions granted under the pilot program to a dollar cap equal to 0.5% of the residential levy (after any CIP shift). For Fiscal year 2021, the Select Board voted to increase the cap to 0.5115%.

For fiscal year 2022, Select Board have the option, if needed, to increase this percentage up to and including 1.0%.

Applications are required, and the Assessors administer this program for all applicants deemed qualified by the Board of Assessors. For fiscal year 2022, the Assessors received 95 applications and the Board of Assessors identified 94 applicants tentatively qualified to receive the exemption. In order for the Assessors to complete the necessary calculations, Select Board must first vote the Residential Factor and CIP shift values for fiscal year 2022 at the Classification Hearing. That vote will determine a tentative residential tax rate, which will then be used in the calculations and result in an increase in the tentative residential tax rate.

For fiscal year 2022, the indicated need seems to point to a cap on the percentage of residential tax levy required to fund the program may be approximately the same as last year. Our calculations indicate the cap on the exemption percentage of the residential tax levy of .5\_\_\_\_\_% should be sufficient to fund the program for Fiscal year 2022. The exact percentage will be based upon the voted residential factor.

The Act also provides an alternative to increasing the cap, whereby the income threshold may be adjusted above the nominal 10.0% until the need is reduced to fall within the cap.

# **Suggested Motion:**

Vote in accordance with Chapter 169 of the Acts of 2012, the total FY2022 cap on the exemptions granted by the Means Tested Senior Tax Exemption shall be.\_\_\_% of the residential property tax levy.
