5. Technical Amendment to Minutes: At the request of the Department of Public Works, Nashua St., Boston, the Board voted a technical amendment to the minutes of February 28, 1963, regarding the traffic rules and orders adopted for parking on Lincoln Road, Sawmill Lane, and Oakridge Road.
6. Police: At 8:30 p.m., the meeting adjourned to the police station where the Selectmen sat down to donuts and coffee served by the Chief, John McGovern, Sgt, Ernest Ryan, Patrolman Gordon Petersen, Wesley and Raymond Woodward, Richard Jokisaari, Walter Baldwin and George Anelons. The Selectmen spent a profitable evening becoming acquainted with the police force and the police problems from the standpoint of an officer of the law. When Sgt. Ryan started emptying waste baskets at 11:45 p.m., the Board learned that each shift, as it goes off duty, turns the station over to the next shift in a spic and span condition. The same goes for the cruisers. This was an interesting and a commendable sidelight on housekeeping in the police station.

Meeting adjourned: 1:30 a.m.

Respectfully submitted,

Clifton F. Giles  
Executive Secretary
