Town Meeting Action

Chairman Keller noted that the Board has not yet taken a position on two petition articles: Article 31, Use of Wood-fired Boilers and Article 33, Senior Tax Relief. After some discussion with members of the Earth Decade Committee, it was voted unanimously as follows:

Article 31 – To not support the Article and to recommend the Article go through the necessary boards and committees review process concerning issues, which reflect significant changes to our bylaws, before it is brought back before Town Meeting.

Article 33 – To not support this Article as no information has been provided by the petitioners.

The Board then suspended its meeting to attend Town Meeting.

At 9:45, at the conclusion of Town Meeting, the Board resumed its meeting for the purpose of reorganization.
