

BOARD OF SELECTMEN
SPECIAL MEETING NOTICE

REVISED

The Board of Selectmen has scheduled a meeting on Monday, February 6, 2012. The meeting will convene in open session at 8:30 AM in the Flynn Building, Thompson Conference Room, 278 Old Sudbury Road. As a Green Community Member, the first order of business will be a vote and signing by the Chair to adopt Sudbury's Fuel Efficiency Vehicle Policy.

A vote will be taken to close the open meeting and to enter into Executive Session for purposes of discussing collective bargaining and land acquisition – wherein strategy discussions with respect to these matters in an open meeting may have a detrimental effect on the bargaining positions of the public body.

Mary McCormack
Executive Assistant to the Town Manager
