July 1, 2015

Dear Community Stakeholder:

Municipal Resources, Inc. has been engaged by the Town of Sudbury to provide recruitment and selection services for the position of Town Manager. I am the lead consultant on this project. It is important to the Board of Selectmen that you, as local officials and stakeholders, be provided an opportunity for input. In order to make this as convenient as possible for you, there are several ways you can reach me. I will be in Sudbury most of the day on Tuesday July 14 and can meet with individuals in your office or in a conference room (Silva Conference Room, 2nd floor, Flynn Building). We can also schedule a phone interview. I can be reached by phone at 603-279-0352 x 320 and by e-mail at agould@mrigov.com.

As far as input, I would like to hear your views on near and far term challenges for the community as well as personal and professional traits you think are important for the new Town Manager. Every community is unique and we try to find the individuals that have the skills, experience and traits that will make them successful in each community. Any conversations I have with individuals will remain confidential as I'm really looking for common themes.

I'm hoping that you will accept this opportunity to help make this process a success. Please don't hesitate to contact me with questions or concerns.

Thank you.

Alan S. Gould
Vice President
Municipal Resources, Inc.
