

Meeting Notice: Tuesday, Oct. 27th, 7:00 pm, Lower Town Hall, 322 Concord Road, Sudbury

The Minuteman Regional Vocational Technical High School administration and the Minuteman school committee are requesting to meet with all interested Sudbury residents and Town committees in a public format to present their building proposal. Residents can ask questions regarding the full enrollment, educational, and financial impact a new school for 628 member students will have on Sudbury and our children.

This notice of meeting anticipates that there may be a quorum of one or more of these Town boards and committees, but that no committee or board will be deliberating or taking votes at this Forum.
