

IN BOARD OF SELECTMEN  
MONDAY, JUNE 24, 1991

Present: Chairman David A. Wallace and Selectman Judith A. Cope.

The statutory requirement as to notice having been fulfilled, Chairman Wallace called the meeting to order at 7:30 p.m. at the Senior Center.

Annual Performance Review - Robert A. Noyes, Sanitary Landfill Agent,  
Superintendent of Cemeteries, Street Lighting Agent, and Tree Warden

A written performance report from Robert A. Noyes was received by the Board of Selectmen, dated June 4, 1991.

Chairman Wallace asked Mr. Noyes if he wished to provide any additional information. As Landfill Agent, Mr. Noyes reported on the progress of the recycling facility at the Landfill Site. In accordance with Mr. Noyes' recommendation, the Board supported him in his proposal to investigate the possibility of closing the Landfill one day per week and opening it one evening per week during the summer. He noted the use of the traffic counter would give them a better indication of the preferred hours of use. The Board further supported him in his proposal to establish a "put and take" area at the recycling facility. He indicated he would also like to post signs at the entrance to remind people to recycle.

Executive Secretary Thompson and Mr. Noyes discussed that they will get together to review the Landfill Enterprise Fund Budget and fees again. Mr. Noyes brought up the subject of leachate being charged for by the Wayland-Sudbury Septage Disposal Facility, that it is not budgeted, and there is a need for some reallocations of the budget. He noted this needed to be discussed with the Operational Review Committee. Executive Secretary Thompson suggested they call it a wash in reciprocation for the sludge brought to the Landfill. The Selectmen had no objections to pursuing this.

Mr. Noyes noted his proposal for FY92 includes establishing a back planting program, giving away trees on Arbor Day and establishing an insurance recovery program, which would provide the Highway Department with an accident report from the Police Department for trees damaged by motor vehicles.

Executive Secretary Thompson noted a letter dated August 16, 1990, of which a copy has been received by the Board, addressed to Mr. Noyes, from the Permanent Building Committee, expressing their thanks for the services provided by the Highway Department in preparation of the Fairbank site.

It was on motion unanimously

VOTED: To approve Mr. Noyes' memo of June 4, 1991, giving his annual report and list of objectives for FY92.

Annual Performance Review - I. William Place, Town Engineer

Present: I. William Place.

A written report was received by the Board of Selectmen, dated May 20, 1991, from I. William Place, concerning his Annual Performance Review, as Town Engineer.

Chairman Wallace asked Mr. Place if there were any items in his report which he wished to point out. Mr. Place noted that they were presently awaiting a construction permit for Route 20 short-term improvements from the Department of Public Works, Arlington. He noted that the Department is reluctant to issue the permit until the reconstruction of the railroad crossing, which may not be completed until the end of summer. Executive Secretary Thompson recommended that he (Mr. Thompson) send a letter to District 4 to see if there is anything we can do to expedite this plan, noting that ConRail's plan should not interfere with the work we intend to do.

Executive Secretary Thompson further stated that Mr. Place had been talking to the Water District, who stated they plan to replace the Route 20 water main with a 16-inch pipe in the area. Executive Secretary Thompson said it would be a great advantage to the Town of Sudbury if we could make this plan into a joint effort, allowing them to share in the seeding and other clean-up work. He added that another reason to move quickly on this is to make use of Raytheon funds before we lose them.

Mr. Place stated that some of his planned objectives for FY92 included clean up all subdivisions, complete Atkinson Farms (3 years in the running), Westway Hills and Cranberry Meadows (90% complete); provide survey and site inspection for the new Fire Station; provide survey and construction inspection for the Route 20 Reconstruction Project; and place the final cover on the remaining north slope of the Sanitary Landfill.

Selectman Cope questioned a previous commitment by the Town to assume maintenance of the walkway from Chiswick Park to Raytheon. Mr. Place said that Chiswick and Raytheon would plow and sand the portions in each of their areas.

Chairman Wallace thanked Mr. Place for his fine efforts. Michael Dunne, the Fire Chief, also elaborated on the tremendous help Mr. Place has been to the Town on the New Fire Headquarters building. He noted that Mr. Place had saved the Town a lot of money on septic systems, etc. He further stated that Mr. Place had saved money by doing services on the project, estimating that Mr. Place may have saved as much as \$70,000 doing forced account work. Executive Secretary Thompson noted that Mr. Place had saved the Town additional money through his diligent efforts in negotiating contracts.

It was on motion unanimously

VOTED: To accept the Annual Performance Report of Town Engineer I. William Place, dated May 20, 1991, and to set his FY92 annual base salary in accordance with the Sudbury Supervisory Association contract at the Step 6 rate of \$55,831 effective July 1, 1991, and \$58,064 effective January 1, 1992.

Annual Performance Review - Michael C. Dunne, Fire Chief

Present: Michael C. Dunne.

The Board of Selectmen is in receipt of a performance report, dated May 9, 1991, from Michael C. Dunne concerning his Annual Performance Review.

Executive Secretary Thompson questioned him in reference to the status of the new Fire Headquarters. Mr. Dunne reported that, while the project is finally underway, it will take a lot longer than originally expected.

Mr. Dunne reported, in reference to the gasoline storage problem, bids were now out for the gas tank replacement. This is consistent with the Town's goal to consolidate the fuel needs to one location with up-to-date tanks and a state-of-the-art dispensing system.

He noted they were removing many of the fire alarm boxes in residential areas. He stated they had been having problems with them and it was found that residents were calling, or going to, the Fire Department to report fires instead of using them. There have been no problems concerning the removal of these boxes.

Executive Secretary Thompson commented that he would like to have the citizens of the Town and the Selectmen understand what a good thing was happening with the installation of the new communications system and the joint efforts of the Police and Fire Departments. Mr. Dunne agreed with this comment and added that the entire town would soon be able to talk to each other. Executive Secretary Thompson further added that the cooperation of the town departments make it a great town, with everyone working together. The Police will soon begin to cover the Fire Department at night. Mr. Dunne reported that he expected the communications system to be in place by the end of the year. He noted they need to now apply for the new radio frequencies.

Mr. Dunne listed his primary goals for FY92 as follows: 1) completion of the move of the Fire Headquarters; 2) implementation of joint dispatch with area towns or with Sudbury Police Department (the Board amended this goal to give priority to integration of communications/dispatching with the Police Department with regional discussions as fallback alternatives); 3) complete the gasoline-diesel fuel storage and dispensing project begun this year; and 4) to manage the Fire Department in such a manner that the decrease in overtime and reduction in personnel will result in minimal impact on the services provided by the Fire Department.

Executive Secretary Thompson noted that the Board of Selectmen had received a letter from the Sudbury Housing Authority, dated May 30, 1991, commenting on his outstanding performance.

The Selectmen thanked Mr. Dunne for his continued fine performance.

It was on motion unanimously

VOTED: To accept Mr. Dunne's Annual Performance Review Report dated May 9, 1991, as amended, and to set his FY92 annual salary at the Grade 15, Step 7 rate of \$57,163 effective July 1, 1991, and \$59,450 effective January 1, 1992, plus 4% longevity and plus annual EMT stipend of \$1,100.

Annual Performance Review - James Vanar, Director of Finance/Town Accountant

Present: James Vanar.

Director of Finance/Town Accountant James Vanar met with the Board for his annual performance review.

Executive Secretary Thompson commented that the Board of Selectmen had received a letter from the Library Director commenting on the fine work that Mr. Vanar and his office had provided.

When questioned concerning any comments he may have in reference to his Performance Review, Mr. Vanar noted that his report reflected everything he would like to say.

Mr. Vanar noted that he thought the next couple of years will be exciting years, automating the Treasurer and Collector's Office. He noted that the RFPs for the system will be prepared in the fall, and hopefully the system will be installed in 1992. He said that we get good value from our computers and a big savings due to greatly increased efficiency. He commented that he is looking forward to streamlining the system.

Executive Secretary Thompson noted that Mr. Vanar's office is the eyes and ears, the watchdog, of the Town. Executive Secretary Thompson said he and Mr. Vanar may ask the Selectmen to go to the next Town Meeting to sponsor an Article to implement a Finance Department in accordance with recent State statutes. Executive Secretary Thompson said he believes there may be a resultant savings of as much as \$50-\$100,000 from the reorganization.

Chairman Wallace thanked Mr. Vanar and noted that he provides timely, concise information, which he always reads because he anticipates the value of the information. He noted that Mr. Vanar is continually seeking to improve his office and the efficiency of the entire Town.

Mr. Vanar thanked the Board of Selectmen and Executive Secretary for their support and appointment of Mary Ellen Normen Dunn as Town Treasurer and Collector and said that he believed that vote was a vote for professionalism in the financial area, which is a good direction for the Town to be going.

It was on motion unanimously

VOTED: To accept the Performance Review Report as submitted, dated May 30, 1991, by Mr. James Vanar, Director of Finance/Town Accountant, and to set his FY92 annual base salary in accordance with the Sudbury Supervisory Association contract, at the Step 6 rate of \$57,084 effective July 1, 1991, and \$59,368 effective January 1, 1992.

Property and Casualty Insurance Bid Award

Following review of bids opened June 13, 1991, on recommendation of the Executive Secretary, it was on motion unanimously

VOTED: To accept the following bids, effective July 1, 1991:

- 1) From D. Francis Murphy Insurance Agency, Inc., 50 Main Street, Hudson, Massachusetts, to provide: a) Commercial Package Policy through Great

- American, including Buildings & Contents (\$1,000 deductible); Other Optional Property coverages; Special Property coverages; General Liability coverages; Optional Liability coverages for existence hazard of highways, streets, roads, sidewalks, bridges, tunnels, culverts, storm or sanitary sewers, and for civil disorder, and including a general aggregate of \$1,000,000 per location; b) Automobile Policy through Great American; and c) Boilers and Machinery Policy through Kemper Group; for a total annual premium of \$112,500;
- 2) From Hastings-Tapley Insurance Agency, Inc., 60 Gore Street, P. O. Box 240, Cambridge, MA 02141-0002, (bid by MIIA Property & Casualty Group, Inc.), to provide Police and Firefighters Accident Policy through The Hartford Insurance Company, for an annual premium of \$8,300; and
  - 3) From Hall Insurance Agency, Mill Village, Rt. 20, Sudbury, Massachusetts, to provide: a) Law Enforcement Liability Policy through National Casualty (Markel) for an annual premium of \$27,537 plus \$135 engineering fee; b) Public Officials Liability Policy through National Casualty (Markel) for an annual premium of \$11,357 plus \$141 engineering fee; c) School Board Liability Policy through National Casualty (Markel) for an annual premium of \$3,093 plus \$75 engineering fee; and d) Ambulance Attendants E&O Policy through Western World and U.S. Liability for combined annual premiums of \$2,750 plus \$110 tax and \$28 filing fees.

#### Long Range Planning Committee

The Board was in receipt of a communication dated June 13, 1991 from Robert J. Cusack, Chairman of the Long Range Planning Committee (LRPC) proposing the LRPC investigate and recommend alternatives to the Town's present health insurance plans.

The Board directed the Executive Secretary to look into this idea and if he believes desirable, schedule the matter on a future agenda of the Selectmen for discussion.

#### Sudbury Automotive - Letter of Complaint from Patrick J. Delaney, III

The Board considered the question of responding to a communication dated June 8, 1991, from Patrick J. Delaney, III, 206 Boston Post Road, relative to Sudbury Automotive, 209 Boston Post Road. Mr. Delaney's letter requested the Board of Selectmen to obtain compliance with the conditions of approval of site plan 74-131, Sudbury Automotive, 209 Boston Post Road. His letter noted that it had been eight years since the site plan approval, but the applicant had yet to comply with conditions 2 (approval of signs), 4 (exterior lighting to be directed away from residences), 10 (replacement of storage tanks), and 16 (removal of illegal signs).

Mr. Delaney expressed concern that the Town continued to protect the applicant's ability to expand operations by annually renewing a permit for increased storage of inflammables. Mr. Delaney suggested the permit be cancelled to obtain leverage in obtaining site plan compliance from Sudbury Automotive.

It was on motion unanimously

VOTED: To direct Executive Secretary Thompson to reply to the letter informing Mr. Delaney that the site plan review process is the responsibility of the Building Inspector, Mr. John Hepting, as the Zoning Enforcement Authority, stating support of Mr. Hepting's letter to Mr. Delaney of June 8, 1991, and additionally informing Mr. Delaney that an application for storage of inflammables stands by itself and there is no time period or restriction or regulation as to when installation will take place.

Landfill Resident Sticker Fee for Low Income Housing

The Board considered the question of approving a request, dated June 5, 1991, from the Sudbury Housing Authority, to waive the Landfill Resident Sticker Fee for all of the families residing in the Authority's low income housing.

It was on motion unanimously

VOTED: To approve a 50% reduction of the Landfill Resident Sticker Fee for all of the families residing in the Authority's low income housing.

Transfer of Funds for Law Account 503

The Board considered the request, dated June 21, 1991, for a line item transfer from Law General Expense (503-210) to Law Legal Expense (503-256) in the amount of \$2,841, in order to pay a portion of litigation expenses involved with Unisys. The request states that this transfer would leave a balance of approximately \$79 in the General Expense line item estimated to be sufficient for any remaining expenses. The request further states that the General Expense appropriation is \$6,450, which incorporates \$2,400 for expert witnesses, and that no expert witness testimony had been required in this fiscal year.

It was on motion unanimously

VOTED: To approve the line item transfer from Law General Expense (503-210) to Law Legal Expense (503-256) in the amount of \$2,841.

It was further on motion unanimously

VOTED: To approve Reserve Fund Transfer Request 91-23, dated June 20, 1991, for Law Department 503-256 Legal Expenses in the amount of \$10,640, to pay extraordinary litigation expenses involving the Unisys suit.

Reduction in Force Amendment

The Board considered the question of approving an amendment to the collective bargaining agreement between the Town and Police Local 315, adding a new article entitled, Reduction in Force. The Board was in receipt of a copy of this amendment, which lists the manner and method a layoff will be conducted in accordance with the Civil Service laws (Mass. G.L. c.31).

It was on motion unanimously

VOTED: To approve an amendment to the collective bargaining agreement between the Town and Police Local 315, adding a new article entitled, Reduction in Force, prepared by Labor Relations Counsel Richard Murphy, dated June 19, 1991.

Layoff of Officer Timothy A. Smith

Present: Officer Timothy A. Smith and Police Chief Peter Lembo.

A hearing in accordance with M.G.L. Chapter 31, s.41, was convened by Chairman Wallace to consider the contemplated layoff of Officer Timothy A. Smith in the Police Department. Chairman Wallace said the layoff of Officer Smith was being proposed due to lack of funds and stressed that the layoff did not relate to nonperformance.

Executive Secretary Thompson stated for the record that he had, in accordance with Massachusetts General Laws, Chapter 31, notified Officer Smith on June 12, 1991, by letter, of tonight's hearing, which he signed for, and Executive Secretary Thompson indicated he had a copy before him to attest to. Executive Secretary Thompson requested Chief Peter Lembo to summarize how we reached the point of the layoff and what action was planned from this point.

Executive Secretary Thompson noted a reduction in force procedure had been negotiated with the union and had been approved by the Selectmen this evening. He also stated that on the agenda for this evening was a recommendation of Police Chief Lembo to appoint Timothy A. Smith a Special Police Officer effective July 1, 1991.

Police Chief Lembo stated the layoff came about through the recommendation of the Finance Committee to cut a specified number of dollars from the budget. Chief Lembo stated they had been able to make some cuts through attrition. Two officers retired over the past two years, Officer George T. Burney and Officer John R. MacLean, Jr. He noted a civilian dispatcher also resigned this past year, but it was necessary to cut the budget by an additional amount of \$32,000 or \$33,000. Chief Lembo said that Officer Smith was the last officer to be appointed, and under the rules of the Civil Service, he is the first one to be released. Chief Lembo also noted that the Police Department had lost approximately 18 percent from its budget over the last couple of years and expressed the hope that this would be the final cuts for the near future.

Executive Secretary Thompson asked Officer Smith if he would like to make a statement and he replied in the affirmative. Officer Smith stated he would be interested in returning to the Police Department if an opening occurs in the near future. Executive Secretary Thompson referred to the Union's bargaining process, and the contract which states that a person who is laid off has the first right to return within a certain amount of time, if a new vacancy exists and noted that Officer Smith would fall into that category.

Officer Smith further stated that it would be necessary for him to look for employment elsewhere at this time. He said he had checked the Civil Service regulations, and was of the understanding that it is customary to be notified by the Department if an opening occurs, even if he is employed elsewhere.

Executive Secretary Thompson agreed with that statement and expressed the concern of the Board to be fair and that they looked forward to having him back with the Police Department in the near future.

Chief Lembo noted he would be willing to give Officer Smith a good recommendation and felt there would be no problem re-employing him in another surrounding town department if an opening exists. Executive Secretary Thompson also recommended that he be contacted if references were needed.

Officer Smith thanked the Board of Selectmen.

Following hearing held pursuant to General Laws Chapter 31, section 41, in accordance with notice to Officer Smith, dated June 12, 1991, and the Reduction in Force amendment to the collective bargaining agreement with Police Officers Local 315, it was on motion unanimously

VOTED: To separate Officer Timothy A. Smith from employment with the Sudbury Police Department, effective June 30, 1991, at 11:59 p.m., for the reason that insufficient funds were appropriated in the FY92 Police Department Budget to continue his employment beyond such date.

MetroWest Growth Management Committee

The Board considered the question of providing input to the MetroWest Growth Management Committee, as requested in a letter dated June 18, 1991, relative to what areas of cooperative action among towns should be explored.

Selectman Cope noted they are looking for input from Executive Secretary Thompson. Selectman Cope commented that if we could purchase recycled products in large quantities, it would increase the demand for recycled materials. Selectman Cope stated her belief that a Central Purchasing Agency would most likely increase this demand, and benefits could be gained by establishing the Metrowest group as a regional planning coordinator.

It was on motion unanimously

VOTED: To request Executive Secretary Thompson to submit a list of items to Selectman Cope which he believed should be submitted to the MetroWest Growth Management Committee, which may create opportunities for regionalization.

Matt Garrett's Restaurant - Promotion Idea

The Board is in receipt of a letter from Robert H. Doe, Jr., Director of Operations, Matt Garrett's, dated June 10, 1991, concerning a promotion idea involving local cities and towns. The letter noted their concern with the loss of revenue by local cities and towns and stated they would like to assist by distributing coupons, useable on all Mondays and Tuesdays during the month of August, to residents of the community, and contributing 25% of all food sales under those coupons to the local government.

It was on motion unanimously

VOTED: To instruct Executive Secretary Thompson to write a letter to Matt Garrett's thanking them for their thoughtfulness, but declining to participate in such a program.

Appointment of Timothy A. Smith as a Special Police Officer

The Board considered the question of appointing Timothy A. Smith a Special Police Officer, effective July 1, 1991.

It was, upon recommendation of Police Chief Peter Lembo, on motion unanimously

VOTED: To appoint Timothy A. Smith a Special Police Officer, effective July 1, 1991, for a term to expire April 30, 1992.

Renewal of Nixon/Noyes Project & Architectural Services Bond Anticipation Notes

The Board considered the question of authorizing the Assistant Town Treasurer to renew notes totaling a \$1,100,000 relative to the 1989 STM/Art. 5 Nixon and Noyes school renovation project (\$700,000) and 1988 STM/Art. 4 School Architectural Services (\$400,000), with a due date of October 1, 1991.

It was on motion unanimously

VOTED: To authorize the Assistant Town Treasurer to renew the above mentioned notes, totaling \$1,100,000, as requested in a communication dated June 20, 1991, from Loretta A. Bigelow, Acting Treasurer.

Form HED 077 - Mass. Department of Public Works

The Board considered the question of signing Form HED 077 for submission to the Mass. Department of Public Works certifying highway related expenses for the purpose of Cherry Sheet Distributions under G.L. Chapter 81, Section 31.

It was on motion unanimously

VOTED: To sign the Form HED 077 for submission to the Mass. Department of Public Works certifying that the amount of \$1,571,185 is expected to be incurred during the fiscal year for constructing, maintaining, and policing of the City/Town streets or roads in accordance with Chapter 81, Section 31 of the General Laws.

AAA Limousine, Inc. - Renewal of License

The Board is in receipt of a request, dated June 13, 1991, from AAA Limousine, Inc., to renew their Livery and Limousine License which expires June 30, 1991.

In accordance with recommendations of the Sudbury Police Department, it was on motion unanimously

VOTED: To renew the Livery and Limousine License for AAA Limousine, Inc., Edmund E. Brown, President, 39 Union Avenue; and to approve rates as set forth below and in application dated June 13, 1991, for a term to expire June 30, 1992:

Sudbury to Logan Airport, Boston:

Limousine	\$75.00 Flat rate
Sedan	\$65.00 Flat rate
Van	\$55.00 Flat rate

Hourly rates:

Limousine	\$60.00
Sedan	\$50.00
Van	\$40.00

Resignations from Town Committees

The Board is in receipt of the following resignations:

- a. Susan P. Thel, dated June 14, 1991, from the Resource Recovery Committee;
- b. Theodore Athanas, received June 12, 1991, from the Permanent Building Committee; and
- c. Tyler Fulton, dated June 7, 1991, from the Cable Television Committee.

It was on motion unanimously

VOTED: To accept the resignations of Susan P. Thel, Resource Recovery Committee; Theodore Athanas, Permanent Building Committee; and Tyler Fulton, Cable Television Committee. It was further voted to thank these members for the services they have provided to the Town of Sudbury.

Dr. Jane Modoono - Youth Commission Appointment

The Board considered the question of appointing Dr. Jane Modoono, Director of Student Services, Lincoln-Sudbury Regional High School, to the Youth Commission as the Ex-officio member representing the Lincoln-Sudbury Regional High School, at the School's request.

It was on motion unanimously

VOTED: To appoint Dr. Jane Modoono to the Youth Commission as the Ex-officio member representing the Lincoln-Sudbury Regional High School, for a term to expire April 30, 1992.

Council on Aging - Donations

It was on motion unanimously

VOTED: To accept \$91.50 in miscellaneous donations for deposit into the Council on Aging Van Donation Account; and to authorize the Council on Aging to expend the same for purposes of operating and maintaining the Council on Aging van.

Wood-Davison House Restoration Fund

It was on motion unanimously

VOTED: To approve the expenditure of \$537.50 from the Wood-Davison House Restoration Fund, in payment of Invoice No. 230-5, dated June 3, 1991, from TBA Architects of Waltham, Massachusetts, relative to professional services relating to the Wood-Davison House Museum.

Donation of 1982 Honda Accord from Bernice Slomski

It was on motion unanimously

VOTED: To accept the donation of the 1982 Honda Accord LX Hatchback from Bernice "Bobbi" Slomski, to the Building Department, and to extend a letter of thanks to Ms. Slomski.

Emergency Approval UP91-15 - Boston Post Road Hip Guys and Anchors

In accordance with request of the Town Engineer, it was on motion unanimously

VOTED: To grant emergency approval in advance of the public hearing scheduled July 15, 1991, to Boston Edison Company and New England Telephone and Telegraph Company to proceed immediately to locate, erect or construct one hip guy and anchor on both Pole 18/95 and Pole 18/96 on the northerly side of Boston Post Road opposite Highland Avenue, replacing existing anchor guys which are dangerous to pedestrians and bicyclists using the walkway.

Codjer Lane - Exclusion of Heavy Commercial Vehicles

The Board is in receipt of a letter from the Town Engineer, I. William Place, advising that heavy commercial vehicles have been using Codjer Lane between Union Avenue and Concord Road on a regular basis, noting that a truck exclusion is warranted for that location. Mr. Place noted the Commonwealth of Massachusetts, Department of Public Works, has the authorization to allow such an exclusion, after considering information which must be submitted in such a request, including traffic counts, alternative routes, physical characteristics, type of development, zoning, traffic controls and statement of need.

It was on motion unanimously

VOTED: To authorize the Town Engineer to proceed with obtaining data to submit an application to the Mass. Dept. of Public Works for exclusion of heavy commercial vehicles on the section of Codjer Lane located between Concord Road and Union Avenue.

Approval of Minutes of the Board of Selectmen's Meeting of June 10, 1991

It was on motion unanimously

VOTED: To approve the regular and executive session minutes of June 10, 1991, as submitted.

Melone Property

At the request of Executive Secretary Richard E. Thompson, the Selectmen agreed to walk the Melone property with him and explore some ideas he had concerning the property.

Town Clerk's Salary - FY91

Upon recommendation of the Executive Secretary and based upon a similar situation involving the Highway Surveyor, the Board stated its agreement that the Town Clerk should receive a 2% salary increase effective January 1, 1991, as granted to other employees.

Meeting - Status of Unisys

Chairman Wallace announced that the Selectmen would be convening a meeting to update Sudbury boards and officials regarding the status of the Unisys litigation and how we will proceed from here. The Executive Secretary will arrange the meeting, which will be held in executive session.

Local Aid

Executive Secretary Thompson is sending a letter to Senators Durand and Hicks on behalf of the Sudbury Board of Selectmen, requesting that they use their offices to retain as much local aid as possible.

There being no further business to come before the Board, the meeting was adjourned at 9:30 p.m.

Attest
