Utility Petition 85-1 - Boston Post Road

Present: Carole McManus, Boston Edison Company.

In conformity with General Laws, Chapter 166, Sections 21 and 22, the Board considered Utility Petition #85-1 of Boston Edison Company and New England Telephone and Telegraph Company for permission to install and maintain a line of conduits and manholes, with the necessary wires and cables therein, under the following public way of the Town:

Boston Post Road - northerly, approximately 183 feet west of Raymond Road, a distance of about 10 feet of conduit.

Carole McManus of Boston Edison Company explained that the above petition requested approval of conduit connection within the public way to an existing pole to provide service for the new Fafard/Mullen development on Boston Post Road.

Executive Secretary Pro Tem Janet Silva noted that all appropriate abutters and Town officials had been notified and a joint communication from the Building and Wiring Inspectors had been received, dated December 20, 1984, recommending approval of the petition. In addition, Burton Mullen had obtained a statement from all abutters, except one whom he could not reach, indicating they had no objection to the petition.

It was on motion unanimously

VOTED: To approve Utility Petition #85-1, as described above, and as shown on Boston Edison Company #C-189-84 Plan of Boston Post Rd.-Sudbury, dated October 31, 1984, and New England Telephone and Telegraph Co. #84-16 Plan for Conduit Location, dated December 18, 1984.

There being no further business, the meeting was adjourned at 5:45 p.m.

Attest:

Janet Silva
Executive Secretary Pro Tem
