Present: Town Clerk Beth Klein

Ms. Klein provided a proposal to combine the existing two polling places into one location - the Fairbank Community Center. She provided numerous reasons for the voting consolidation at Fairbank rather than Town Hall:

- Central A/C
- ADA compliance
- Adequate parking including accessibility and better lighting when compared to Town Hall
- Generator in place
- Less Police Detail required
- Saving on election workers' time

Discussion on After-School Care

Chair Roberts acknowledged that this topic was not included as a Select Board goal at the current time.

Board Member Kouchakdjian opined that it might be time that the Select Board seriously consider this matter, as it was a vital problem for parents and families in the community. She indicated that Town Manager Sheehan would likely not have the time to manage a related after-school care committee, and it could be under the direction of Park & Recreation and a third-party could provide the service.

Vice-Chair Carty commented that he had not heard from many residents regarding this topic and if an RFP was to be considered, more conversation would be necessary before further action could be taken.

Board Member Dretler inquired about School Committee participation and stated the Select Board might not have purview regarding this topic. Chair Roberts commented that the Select Board did not have purview over the School Committee.

Board Member Russo commented about the importance of Town Manager's input, noting that the Select Board would need to be provided with additional information.

Chair Roberts recognized the challenging financial position of the Town at this time.

Town Manager Sheehan addressed the challenges in relation to the proposed child care proposal, including child-care staff, the Sudbury Extended Day (SED) program and Park & Recreation staffing. He expressed concerns about the Town being in this business and mentioned that the Fairbank Center might not necessarily have the space available for such an added programming and that use of ARPA funding would be temporary in this case. Town Manager Sheehan agreed with comments presented by Board Members regarding additional information being necessary before any related decisions were made.

Board Member Kouchakdjian mentioned aspects associated with short-term and long-term solutions, with a primary issue being transportation.

Chair Roberts stated that related conversation would be tabled for now.

Vice-Chair Carty presented several potential Select Board office hours options. Board Members agreed to consider options presented to vote on a Select Board office hours schedule at an upcoming Select Board meeting. Members agreed that Wednesdays and Thursdays would work best.
