Guidelines for Project Submission

- 1) Each project request must be submitted to the Community Preservation Committee using the Project Submission Form as a cover sheet. Applications should be submitted in twelve (12) multiple copies.
- 2) Requests must include a statement of need and be documented with appropriate support information. The use of maps, visual aids and other supplemental information is encouraged.
- 3) Obtain written proposals, estimates, quotes and such other evidence to document project scope and cost.
- 4) If the request is part of a multi-year project, include the total project cost and allocations.
- 5) Describe the endorsement, support or other recommendation, if any, by other Town Boards, Committees and Departments.
- 6) Provide examples of similar project proposals in other communities, if any, including examples of project scope, project cost and status of completion.
- 7) For applicants that have multiple project requests, please prioritize projects.
- 8) Requests must be received by **Monday, November 7, 2016** to be considered for recommendation at the May 2017 Annual Town Meeting.
- 9) Applicants must be present at a CPC meeting to answer questions. <u>The CPC meeting schedule will be announced in October, 2016 and posted on the town's website.</u>

Please keep in mind that there are legal limitations on the use of CPA funds. Additional information on the CPA and the Community Preservation Committee can be found on the town's website at www.sudbury.ma.us, under Committees. The committee can be reached by email at cpc@sudbury.ma.us. If you are in doubt about your project's eligibility, after consulting these sources, you are encouraged to submit an application so that the Committee can determine eligibility.

TOWN OF SUDBURY COMMUNITY PRESERVATION COMMITTEE

General Criteria

The Sudbury Community Preservation Committee will give preference to proposals that address as many of the following general criteria as possible:

- Are eligible for Community Preservation Act (CPA) funding according to the requirements described in the CPA legislation;
- Are consistent with the town's Master Plan, Open Space and Recreation Plan, Land Use Priorities Committee Report, Town-wide Comprehensive Facility Study, Community Housing Plan, and other planning documents that have received wide scrutiny and input and have been adopted by the town;
- Receive endorsement by other municipal boards or departments.
- Preserve the essential character of the town as described in the Master Plan;
- Save resources that would otherwise be threatened and/or serve a currently under-served population;
- Either serve more than one CPA purpose (especially in linking open space, recreation and community housing) or demonstrate why serving multiple needs is not feasible;
- Demonstrate practicality, feasibility, urgency;
- Demonstrate that the project can be implemented expeditiously and within budget;
- Demonstrate that project alternatives, and alternative funding mechanisms, have been fully explored;
- Produce an advantageous cost/benefit value;
- Leverage additional public and/or private funds; and
- Preserve or utilize currently owned town assets.

Category Specific Criteria

Open space proposals that address as many of the following specific criteria as possible will receive preference:

- Permanently protect important wildlife habitat, including areas that:
 - are of local significance for biodiversity;
 - contain a variety of habitats, with a diversity of geologic features and types of vegetation;
 - contain a habitat type that is in danger of vanishing from Sudbury; or
 - preserve habitat for threatened or endangered species of plants or animals;
- Preserve Sudbury's rural and agricultural character;
- Provide opportunities for passive recreation and environmental education;
- Protect or enhance wildlife corridors, promote connectivity of habitat or prevent fragmentation of habitats:
- Provide connections with existing trails or potential trail linkages;
- Preserve scenic views:
- Border a scenic road:
- Protect drinking water quantity and quality;
- Provide flood control/storage;
- Preserve important surface water bodies, including wetlands, vernal pools or riparian zones; and
- Preserve a parcel identified in the 2009-2013 Open Space and Recreation Plan.

Historical proposals that address as many of the following criteria as possible will receive preference:

- Protect, preserve, enhance, restore and/or rehabilitate historic, cultural, architectural or archaeological resources of significance, especially those that are threatened; and in the case of proposals on private property, the proposal and/or proponent meet certain economic criteria as may be required by the Community Preservation Committee;
- Protect, preserve, enhance, restore and/or rehabilitate town-owned properties, features or resources of historical significance;
- Protect, preserve, enhance, restore and/or rehabilitate the historical function of a property or site;
- Project is within a Sudbury Historic District, on a State or National Historic Register, or eligible for placement on such registers, or on the Sudbury Historic Properties Survey;
- Project demonstrates a public benefit; and
- Project demonstrates the ability to provide permanent protection for maintaining the historic
 resource; and in the case of proposals on private property, the proposal and/or proponent have
 demonstrated additional protective measures and have met additional criteria, as may be imposed
 by the Community Preservation Committee, to ensure the continued permanent protection of the
 historic resource.

Community Housing proposals that address as many of the following criteria as possible will receive preference:

- Contribute to the goal of 10% affordability;
- Conform to the town's Housing Production Plan;
- Promote a socioeconomic environment that encourages a diversity of income;
- Provide housing that is harmonious in design and scale with the surrounding community;
- Intermingle affordable and market rate housing at levels that exceed state requirements for percentage of affordable units;
- Ensure long-term affordability;
- Promote use of existing buildings or construction on previously-developed or Town-owned sites;
- Convert market rate to affordable units; and
- Give priority to local residents, Town employees, and participants in the Sudbury METCO program.

Recreation proposals that address as many of the following criteria as possible will receive preference:

- Support multiple recreation uses;
- Serve a significant number of residents;
- Expand the range of recreational opportunities available to Sudbury residents of all ages;
- Jointly benefit Conservation Commission and Park and Recreation Commission initiatives by promoting passive recreation, such as hiking, biking, and cross-country skiing, on town owned property;
- Maximize the utility of land already owned by Sudbury (e.g. school property); and
- Promote the creative use of railway and other corridors to create safe and healthful non-motorized transportation opportunities.
