What It's All About

The Town of Sudbury is preparing a Housing Production Plan, in accordance with State requirements, to update its goals related to creation of community housing opportunities and strategies to obtaining State certification.

With the publication of the 2010 Census data, and the proposal of new affordable housing developments, now is the time for Sudbury to update its goals and strategies on this important issue.

MAXIMUM PARTICIPATION 50 persons, reserve by Friday, March 25:

Due to space and food considerations, only the first 50 people to register or arrive at the door will be admitted, with a portion reserved for Town Boards and Committees .

Reserved spaces will be honored up to 6:25pm on March 31, after which walk-ins will be admitted in their place
