Re: DEP File # 301-1227, Abbreviated Notice of Resource Area Delineation  
Sudbury-Hudson Transmission Reliability Project, BLSF Supplemental Submission

Dear Sudbury Conservation Commission,

The Applicant, NSTAR d/b/a Eversource Energy, is submitting this supplement to the Abbreviated Notice of Resource Area Delineation for the Sudbury-Hudson Transmission Reliability Project. The supplement includes plan sheets (28-36 of 46) updated to include Bordering Land Subject to Flooding (BLS) between Union Avenue and Landham Road, a Memorandum with appendices detailing the approach taken to delineate BLSF in this area, and back-up information supporting Isolated Land Subject to Flooding (ILSF) calculations.

I have provided for your review two hard copies of the items identified above and a USB flash drive with pdf files of all the documents. Should you have any questions concerning this submittal or require additional information, please contact me at 508-513-2717.

Sincerely,

A handwritten signature in black ink, appearing to read "John Vieira".
