

# May is Garlic Mustard Month!

This invasive species harms our native tree seedlings and takes over places they need in order to develop.

Join SVT and the SWEET, Inc., Town-wide "Eat It and Defeat It" Garlic Mustard Pull

Kick-Off Saturday  
Now jointly with SVT!

May 4  
10 am - 1 pm  
SVT headquarters  
18 Wolbach Rd

Pick up information and disposal bags, then volunteer to help pull plants at important sites.

Please do not use plastic bags! Paper bags (lawn refuse bags are ok)-must be able to fold closed.

If you want bags or info, please email  
[SWEETinvasives@gmail.com](mailto:SWEETinvasives@gmail.com)

Or come by the SVT Office at 18 Wolbach Rd., Sudbury M-F 9-5 (bags will be located in the Nature Nook- the screened in porch on the side of the house facing the trailhead).

## Town-wide Pull

**May 1 to May 30**

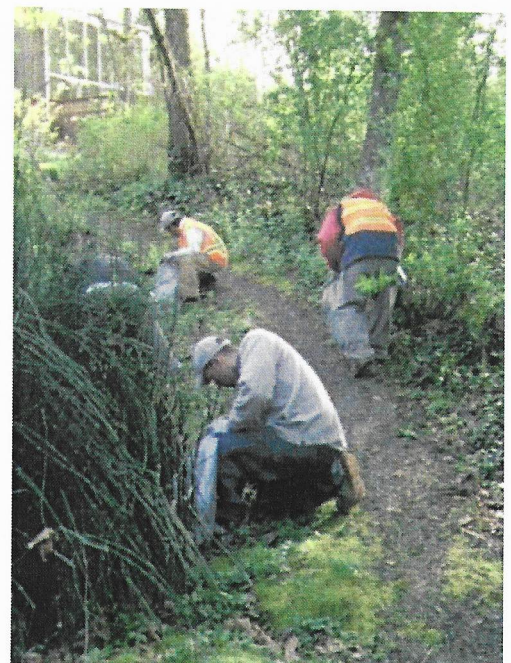

Individuals and groups of volunteers needed to pull and collect the invasive plants before they seed. Sign up and adopt a patch around town!

## Disposal Days

**Saturday May 18 & June 1**

**10-1 pm**

DPW lot on Old Lancaster Road to drop off bags of collected invasive garlic mustard (from Sudbury residents only) for permitted disposal.
