Photos Taken: Yes ☒ No ☐

General Notes/Comments:

On November 18, 2022, Horsley Witten Group, Inc. (HW) performed a site visit at construction access points throughout Sudbury, MA. During this site visit, HW confirmed locations of the gravel construction entrances to be used as access points for future work.

- Gravel construction entrances currently precede any site activities. Construction is still only taking place in Hudson and has not crossed the town line into Sudbury at this point.
