

Executive Summary

Sudbury Council on Aging

Strategic Plan FY 2015

1. **Get a permanent means-tested senior tax exemption approved by the state legislature before expiration of the current pilot legislation.**
2. **Continue and expand transportation services for Sudbury seniors and residents with disabilities while conducting a needs assessment and develop a long-term (5 – 10 yr.) action plan.**
3. **Maintain an active role in advocating for the space needs of seniors in the next 3-5 years, and for design and construction of a multi-generational Community Center.**
4. **Create a plan of action to improve the online and social media face of the Senior Center, Friends, and the COA and present plan to Friends.**
5. **Continue to maintain strong working relationships with all relevant town boards to ensure COA input where appropriate.**
6. **Continue to advocate for affordable senior housing in Sudbury.**
