

## TRANSPORTATION OPTIONS FOR ELIGIBLE SUDBURY RESIDENTS<sup>i</sup>

- Sudbury Council on Aging Senior Center van transportation: General availability = Monday-Friday between 8:30 AM and 4:00 PM. Contact Senior Center (978 443 3055) or see website for additional information.
- MetroWest Regional Transit Authority Dial a Ride: Scheduled extensions to CoA van transportation (contact Senior Center or see website). Also contact MWRTA directly for more information (508 820 4650; <http://www.mwrta.com>).
- AAA Limousine (Sudbury): Market rate limo transportation as well as market rate taxi transportation. Contact directly for more information (978 443 8925).
- Tommie's Taxi (Framingham): Market rate taxi service as well as market rate, wheelchair accessible vans (drivers are specially trained). Contact directly (508 872 3500) for more information.
- American Cancer Society: Provides volunteers who drive people needing transportation for cancer treatments. Person must be ambulatory and provide 48-hour notice prior to ride. This program services much of Massachusetts, but it is not guaranteed. Contact directly for more information (1-800-952-7664; <http://www.cancer.org>).
- FISH (Sudbury): Volunteers drive individuals to medical appointments. Contact directly for more information (978 443 2145).
- Disabled American Veterans: This program provides free transportation to any VA clinic or facility for any veteran in Boston and local suburbs. There are eligibility guidelines related to level of disability and income. Contact directly for more information (617 232 9500).
- MassHealth (Medicaid) Medical Riders: This service is for medical rides only. The person must be on SSI and not capable of taking the MBTA. To receive this service the doctor must fill a PT-1 form and send it to the local MassHealth (Medicaid) office. This entitles the person to 10 round trips. Each individual doctor the person needs to see must fill their own PT-1 form. Contact directly for more information (1 800 854 9928).
- Suburban Med Ride: This service provides non-emergency, both chair and ambulatory, rides for medical appointments, adult day health, dialysis, and hospital discharges. The service area includes Greater Boston, South Shore, North Shore, and Metrowest and three business days are requested for scheduling. Contact directly for more information (866 633 7433).

---

<sup>i</sup> "Eligibility" can include the following, as relevant to the options listed: age (60 years+); disability (no age criteria; mental/physical disability); Veteran's status; cancer diagnosis; other medical criteria.
