Call to Order: The meeting was called to order on September 14, 2026, at 3:33 PM with a role call and noting quorum present.

Minutes Approval: The board reviewed and unanimously approved the minutes from the August 10, 2026, meeting.

Liberty Ledge Discussion:

Guest speaker Jeff Levine presented a proposal for an independent professional land use study of the 44-acre Liberty Ledge site, arguing that the town needs to evaluate future property uses beyond its current operation as a summer day camp.

Levine suggested that age-restricted housing could be a viable use for a portion of the site, potentially providing revenue and tax benefits while serving senior needs.

The board noted the urgency of the matter, as decisions regarding the extension of the current camp operator's contract are expected to be made between January and July 2027.

Jon Harding made a motion to accept the resolution to support the call for an independent land use study and Jane Keilty seconded the motion. The board voted unanimously to adopt a resolution supporting the call for an independent land use study, with plans to transmit the resolution to the Liberty Ledge Advisory Committee and the Select Board.

Kristen Drummy, the liaison for the Camp Sewataro property attended via video requested time at a future meeting to present information from that group's perspective to assure accurate information is being shared.
