DISCUSSION OF TOWN MEETING ARTICLES

◇ Article 23 – Bruce Freeman Rail Trail Wildlife Study

The Committee discussed a potential Amendment to Article 23 to reword to include qualifications that may come up at Town Meeting. Chris Morley indicated that it wasn't necessary. Jim Hill indicated he would like to hear more on the topic. Tara Reed and Mark Kablack felt the CPC shouldn't micromanage.

A motion was made to not support amending Article 23 because it is well written and contains adequate information.
