Project Name: Purchase of Affordable Condos for Rental by SHA

Project Description: The SHA requests a 5-year extension to purchase affordable condos using a total of \$360,000 in CPA funds, approved under Article 43, 2006 ATM, from the end of FY 2009 to the end of FY 2014. Due to the economic slowdown, no condo units have yet been completed and sold to the SHA.

How does this project meet the General Criteria and Category Specific Criteria for CPC projects (see attached)?

The CHC and Selectmen have supported this project.

Does this project fall within the jurisdiction or interest of other Town Boards, Committees or Departments? If so, please list the boards, committees or departments, whether applications and/or presentations have been made, and what input or recommendations have been given.

This project has already been approved by the CPC and Town Meeting and thus meets the Criteria. With several 40B projects in the pipeline, it was reasonable in 2006 to expect that units would be ready for purchase by 6/09, however that has not been the case.
