Project Name: RESTORATION OF ANTIQUE LIGHTING AT TOWN HALL

Project Description: Restoration of 1914 wrought iron Portico Lantern given to the Town by the Goodman Society and designed by Ralph Adams Cram; (note-The Goodman Society was formed in 1890 by influential Sudbury citizens to improve Sudbury Center, it gave the town the original post lights to light up the center, and elsewhere, plus many other improvements. In 1914 it presented the Town the lantern that now hangs in the Portico, that is what the 'GS' [Goodman Society] means cut out of the north side, on the south cut out of the wrought iron is '1638-1914', and on the west or front is cut out 'Sudbury'. It originally had seeded glass on 5 sides, now only two survive. The Lantern once hung in the original Town Hall across the street, which burnt in 1930. The Sudbury Historical Society absorbed the Goodman Society in 1970, and has their records. We feel protective of what they did, and wish to promote the restoration of this Lantern, and the new 1932 lighting in the Hall.

Brass hanging Chandelier w/4 lights & 2 solid Brass & Nickel plated wall Sconces in Front Foyer of the 1932 Sudbury Town Hall;

Plus 2 brass wall lights in Town Clerks stairwell

I have received two estimates for this work: Hammersmith Studios in Concord for just the Lantern for \$4,050, and Patti Bros, of Sudbury for the brass lighting for \$930 = \$4,980.

Costs:
