Community Preservation Committee

Annual Reporting Form

Hop Brook Pond Remediation 2025,
Article 45

Name of Project including year of Town Meeting and Article Number:

Date of Report: 10/15/26

Date of Town Meeting Approval: 5/2025

Project Proponent: Hop Brook Protection Association

Recipient of CPC Funds: Hop Brook Protection Association

Name of Person Completing Form: Jeff Winston

Description of Project:

The goal of this project is to retain a consultant to create a Watershed-based plan (WBP) to restore water quality in the Hop Brook watershed, and thus reclaim an important recreational and historical asset for all Sudbury citizens. A watershed-based plan (WBP) is a necessary step in assembling and evaluating the existing data with the purpose of determining what approaches are most likely to successfully restore acceptable water quality. A well-developed WBP is also necessary to obtain Federal (Section 319) and state grant funding for specific remediation strategies.

Total Project Budget through CPC: 90000

Total Spent in FY 25 \$

Total Spent in prior fiscal years: 0

Balance Remaining:

Is the project completed? Yes ☐ No ☒

Description of status of the project:

The report from our consultants is complete, but we may still have some followup questions.

Project results, including any changes since Town Meeting:

The consultant produced a high quality detailed report on the quality of the ponds, and the best paths for remediation. At time of this writing the committee is digesting the report and considering the next steps.
