Design Review Board
Wednesday, November 10, 2004
Hudson Road Fire Station

Present: Frank Riepe (Chairman), Deborah Kruskal, Dan Martin, Tris Windle
Absent: Linda Wade

Sign Application: Bosse Sports & Health Club, 141 Boston Post Road

Present for the applicant: D.J. Bosse, Brian Finnegan and Attorney Joshua Fox.

The applicant gave a presentation for a wall sign and a freestanding sign. After discussion, it was unanimously agreed that the wall sign is to be the size of the metal architectural panel to which it is fastened, approximately 8 feet wide. This is smaller than the size which was applied for. It will be externally illuminated from above.

The freestanding sign will have a main panel no more than 7.5 feet wide and the top of the sign no more than 9.5 feet high. The main sign panel will not exceed 30 square feet. Chain-hung below the main panel will be two secondary signs for related enterprises, each sign 8 inches high and each sign the same width. The sign will be illuminated from the ground.
