Sign Application: Town of Sudbury Park & Recreation; Haskell Field

Dennis Mannone, Director, was present. The proposal is for a new freestanding sign for Haskell field. The design is to be of the same style as previously installed at the Cutting Field. The Board unanimously approved the application as submitted.

Sign Application: Inspirations, Inc., 353 Boston Post Road

The Board met with a representative from the sign company, and the applicant. The proposal is for 4 square foot wall mounted sign. The design satisfies the requirement of the bylaw and is unanimously approved.

Sign Application: Precious Metals, 353 Boston Post Road

The proposal for a roof mounted sign carved from 2" board of the same size as used by the previous tenant is unanimously approved.

Sudbury Village Comprehensive Permit – Recommendations to Zoning Board of Appeals

The Board had previous version of the plan to compare the current one with. There was no architectural design submitted; the plan consisted only of roadways and footprints of the houses. The site does seem crowded, but the Board had no further comment.

Miscellaneous

The Board had a discussion regarding the Building Inspector's Town Meeting article regarding portable and temporary signs. Board member Tris Windle will draft a response of behalf of the Board for discussion at a later date.

The minutes of 12/13/06 were approved as amended.
