Sign Application: Game Stop

521 Boston Post Road

Representing the applicant was Hazel Hopkins from Barlo Signs.

The proposal as presented requests a sign larger than what is permitted under the bylaw. The Board approved the application with the understanding the artwork be revised to show a 20 square foot sign. A new drawing showing conformance must be submitted for the record.

Citibank Resubmission:

As requested at the June 27th meeting, new artwork was submitted showing signage in conformance with the bylaw. Two wall signs each 11'-0" x 1'-10 1/2" were approved plus indoor window signs. These were approved with the condition the blank sign area shown on the left side of the building will be restored to clapboards.
