Sign Application: *Stone Tavern Farm & Pet Nannies, 554 Boston Post Road*

Representing the applicant was Anne Stone and Sharon Sutherland.

The proposal is for a 19 square foot sign which exceeds the allowance in the bylaw for a farm activity in a residential zone. The proposed location for the freestanding sign is 15 feet from the property line.

The Board encouraged the applicant to consider a conforming sign, 10 square feet, and set closer to the property line with the address "554" at the top. The applicant will work with the sign maker on a 10 square foot design and return before the Board for a continuance at the next meeting. It was also advised for the applicant to obtain a site plan from the Engineering Department which shows the relationship of the sidewalk to the property line.
