***Sign Application: Lavender Asian Cuisine & Bar
519A Boston Post Road***

Represented by Tim Fong (owner)

The application is for a primary sign and a secondary awning sign. The Board made the following recommendations to Mr. Fong:

- Add a 10" high valance to the awning and locate the phrase "Asian Cuisine & Bar" twice, once centered over the doors and the other equidistant from the other end.
- Select a serif type face for the primary sign that is broader and will allow the sign to expand. It can have a maximum area of 24.75 square feet.
- Add a drop shadow in lavender to the letters of the primary sign.
