

Present: Frank Riepe (Chairman), Deborah Kruskal, Dan Martin, Tris Windle, Giancarlo Del Vita

Sign Application, D'Angelo, 423 Boston Post Road

Representing the applicant was Bart Steele of Viewpoint Sign & Awning.

The proposal is for a new sign for an existing tenant using the existing sign frame. The Board found the proposal to be of high quality and unanimously approved it.

Miscellaneous

The minutes of June 10, 2009 were approved.

Sign Application Materials:

The Board discussed the sign application materials given to applicants. There is agreement the "Sign Review Procedure" page is very clear and emphatic. There is discussion that having a summation of the sign bylaw is risky as applicants may not seek greater details by reading the complete bylaw. The Board opines being more emphatic that the applicant must look at the entire bylaw would be better.
