Design Review Board  
Flynn Building  
September 9, 2009

Present: Deborah Kruskal, Dan Martin, Tris Windle  
Absent: Giancarlo Del Vita, Frank Riepe

***Sign Application: My Passion Flower, 92 Boston Post Road***

Kirsten Van Dijk presented an application for a roof mounted sign, awning, and exterior lighting.

The primary sign and awning as presented conform to the bylaws. Drawings accompanying the application indicated possible signage on the awning valance. The applicant stated that there would be no wording on the valance so the board did not pursue whether this secondary signage complied with the bylaws. The applicant stated that she will come before the board again if she decides to add a secondary sign to the valance.

The board unanimously approved the application.

***Sign Application: Your Element Yoga, 525 Boston Post Road***
