Sudbury Design Review Board
February 10, 2016

Present: Paula Hyde, Jen Koffel, Deborah Kruskal, Dan Martin, Susan Vollaro

Sign Application: 435 Boston Post Road
Sperry's Fine Wine and Brew

Jeff Newman of Signorama in Framingham presented an application for 3 signs: a primary wall sign, a canopy sign and a road sign which conform to the bylaws.

Ms. Koffel opined that the spacing between the letters on the wall sign might be too tight, causing potential difficulty reading. Mr. Newman suggested that the shadow shown on the artwork was making the letters appear closer than planned and the Board determined that the spacing was acceptable as is.

The Board voted unanimously to approve the signs as presented.

Miscellaneous:

The Board approved the minutes of the Design Review Board meetings dated November 18, 2015 and January 13, 2016. Also approved were the minutes of the joint meetings with the Planning Board dated December 9, 2015 and January 13, 2016 but would like to have it noted that Ms. Kruskal should be referred to as Deborah, not Debbie in the Planning Board minutes.
