

Minutes
October 24, 2018
Sudbury Design Review Board

Present: Dan Martin, Susan Vollaro, Jen Koffel

Applicant: Erica Endyke, for 20 West Legal
345 Boston Post Rd

The board discussed the design and placement of the sign. One suggestion made was that sign could be larger, and maybe preferable to be wider than tall to reduce the amount of blank space, and to make the letters larger. Another recommendation was to make it the same width as the window frame.

Applicant confirmed sign to be gold-plated, carved. May consider removing spaces between the words.

Board agrees that sign conforms to the by-laws.

A motion was made to approve the sign as presented, with the recommendation to make the sign longer to align with the window frame, as long as it is less than 22.5 SF total to comply with the by-laws.

The board approved the minutes of October 10, 2018.
