#### **Applicant - Code Ninjas, 528 Boston Post Road (Meadow Walk Sudbury)**

Jeffrey Newman from Signarama presented proposed signage consisting of two primary exterior wall signs and two storefront blade (projecting) signs. The proposed primary exterior wall signs for the east facade (primary entrance) and the west facade are to be internally illuminated channel letters and are each to measure 25.375 square feet which is a change from 22.20 sf from the initial proposed sign for the west facade. The two proposed round blade signs each measuring 4 square feet for the east and west facades are to be non-illuminated and to be mounted at a height similar to existing neighboring blade signs. The board agreed that the applicant may be allowed to change the blade signs to have the logo only.

**The proposed signage as presented was found to be conforming and was unanimously approved.**

**Miscellaneous:** The board approved the minutes of October 9, 2019
