Review of Proposed Signage

Applicant: Paani Indian Cuisine
530A Boston Post Rd. Meadow Walk

Dave Spataro from Signarama, Framingham, represented the applicant, Paani Indian Cuisine. The applicant proposed a new sign facing the east parking lot. The proposed sign would match the basic design concept of the two already existing signs on the west and south frontages, except it would be solid blue rather than the gradient blue color of the existing signs. The proposed sign is 31.9 square feet, which meets the maximum allowance of 32 square feet based on the building's frontage, factoring in a 20% square foot reduction due to the halo illumination of the proposed signage.

A motion was made and seconded to approve the signage as proposed by the applicant. Vote was unanimous.
