December 3, 2018

7:00 p.m.

Sudbury Town Hall

Sudbury, MA 01176

AGENDA

The Permanent Building Commission will be meeting on Monday evening, December 3, 2018 at 7 p.m. to present the proposed overall final concept design for the historical restoration/renovation of the Town hall with Architect Joel Bargmann. The final concept design was developed based on input from the Historical Commission, the Historic Districts Commission, and the Commission on Disability.

Members of these commissions have been invited to attend this meeting and we are posting this meeting to allow for discussions concerning the concept design during this meeting per the requirements of the Opening Meeting Law.
