Academic Skills and Strategies for Success During COVID

Thursday, November 19, 2020 • 7:00 pm

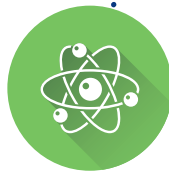

Flexibility & Transitions

Organization of Materials

Self-Monitoring & Follow Through

Working Memory

Planning & Time Management

Initiating Tasks

During COVID, whether in a hybrid or fully remote model, executive function skills have become increasingly important for students of all ages. Join Engaging Minds to learn actionable strategies you can use at home to help strengthen your teen's executive function skills and keep them on a successful path this school year.

Tools for Learning. Skills for Life.
