### **Meeting Minutes**

Wednesday, December 1, 2021, 7:00 – 9:00 PM  
Police Station, 75 Hudson Road, Sudbury MA 01776  
Training Room

With live cable television and teleconference available

1. At 7:10 PM it was determined that no quorum of the Commission would be present. The Chair judged that it was proper to use the time for presentation by guests present, and questions and comments from those joining by teleconference and members of the COD.
2. In attendance: Tom Scarlata of Bargmann Hendrie & Archetype, Inc; Chris Eberly or Compass, Inc.; Jennifer Pincus of Permanent Building Committee (phone); Karyn Vostok, community member (phone); Liesge Quinto, community member (phone); Lisa Kouchakdjian, Vice Chair COD, Doug Frey, member COD; Kay Bell, Chair COD.
3. Mr. Scarlata explained many features represented in plan drawings of the Fairbank Community Center Project. After the presentation community members and COD members asked questions ranging over many aspects of the plans with particular focus on accessible and inclusive details that were either present in the design or would be desirable to have in the design. Both Ms. Pincus and Mr. Eberly helpfully provided information along with Mr. Scarlata.
4. At 9:15 PM the meeting ended.

This opportunity to meet both in-person and with a form of virtual participation that included live cable video combined with teleconference was made possible by the cooperation of Sudbury Television, Sudbury Information Systems Department and Sudbury Police Department.

Respectfully submitted by Kay Bell
