NOTICE TO ABUTTERS: SHERMAN'S BRIDGE REHABILITATION PROJECT

Dear Homeowner/Resident,

The Towns of Sudbury and Wayland will begin the Sherman's Bridge Rehabilitation Project on **Monday, November 9, 2026**.

Full Bridge Closure: Sherman's Bridge will be fully closed to all traffic for the duration of construction. No access across the bridge will be permitted. Detour route signage will be in place for the duration of the project.

Construction is anticipated to take approximately **12 weeks**, with substantial completion and the reopening of the bridge anticipated by February 1, 2027, weather and conditions permitting. The schedule may be adjusted due to unforeseen circumstances.

Please visit the project website for detour routes, project information, and construction updates:

If you have any questions or concerns, please contact the project team:

- **Email:** shermansbridge@wayland.ma.us
- **Town of Sudbury:** 978-440-5421
- **Town of Wayland:** 508-358-6730

By extending the bridge's life, improving safety, reducing maintenance costs, and protecting the Sudbury River, the project will offer many benefits to residents in Sudbury, Wayland, and other bridge users for many years to come.

We appreciate your patience and cooperation as we work to improve and rehabilitate Sherman's Bridge.

Thank you,

Tina Rivard, Director
Sudbury Public Works Department
