

SUDBURY EARTH REMOVAL BOARD  
MINUTES  
June 7, 2021

MEETING OF THE EARTH REMOVAL BOARD

MEETING HELD VIRTUALLY

The Board consisted of Jonathan W. Patch, Chair; David Booth, William Ray, Jeffrey Rose, and Benjamin D. Stevenson.

Earth Removal Board Chair Jonathan Patch called the meeting to order at 6:32 p.m. and a roll call of the members was taken.

The only item on the agenda was approval of meeting minutes. Chair Patch indicated meeting minutes for the April 26, 2021 and May 17, 2021 meetings of the Eversource Project Hearing were under consideration. Draft minutes had been circulated and reviewed.

A motion to approve the April 26, 2021 meeting minutes was made and seconded, and there were no comments or revisions. The Board voted unanimously by roll call vote to approve the minutes.

A motion to approve the May 17, 2021 meeting minutes was made and seconded, and there were no comments or revisions. The Board voted unanimously by roll call vote to approve the minutes.

It was suggested that the simple meeting minutes generated for this meeting be approved by the Chair only and outside of a public meeting. The Board voted unanimously to have Chair Patch review and approve the minutes for this meeting.

For the Administrative Report, Beth Suedmeyer mentioned as the Covid Emergency Order by the Governor is lifted, there is uncertainty whether virtual meetings will still continue beyond next week. Town offices are opening back up.

The meeting was adjourned.
