Dear Town Manger Valente:

I am pleased to inform you that the Green Communities Division has approved the Town of Sudbury's Green Communities grant request of \$136,238 to fund energy efficiency measures in municipal buildings and the incremental cost of a fuel efficient vehicle.

The Division reviewed the Town of Sudbury's grant application and has determined that the proposed activity/activities meet the eligibility requirements of the Green Communities Act and are viable, well-developed projects. Over the next several weeks, your Green Communities Regional Coordinator Joanne Bissetta will be in contact with the designated representative listed on your grant application form to discuss next steps, including coordination of the grant contract process (execution of a grant agreement and developing a project schedule/plan). I have enclosed a list of the grant documents that are required to be completed by the Town of Sudbury and the Green Communities Division.

The Green Communities Division looks forward to working with the Town of Sudbury on your grant project(s). We congratulate you on your designation as a Green Community and applaud you for your efforts to create a greener energy future for the Town of Sudbury and for the Commonwealth of Massachusetts.

Please do not hesitate to contact Joanne Bissetta at (978) 694-3315 or by email at joanne.bissetta@state.ma.us with any questions you may have regarding your grant award.

Sincerely,
