NOTICE OF FILING AND PUBLIC HEARING

D.P.U. 16-167

October 14, 2016

Petition of the Town of Sudbury for approval by the Department of Public Utilities of a municipal aggregation plan pursuant to G.L. c. 164, §134.

On October 6, 2016, the Town of Sudbury (“Town”) filed a request with the Department of Public Utilities (“Department”) for approval of a municipal aggregation plan pursuant to G.L. c. 164, § 134. General Laws c. 164, § 134 authorizes a municipality to procure electric supply on behalf of consumers within its municipal borders through a municipal aggregation program. Eligible electricity consumers not already enrolled with a competitive electric supplier would be automatically enrolled in the municipal aggregation program unless they chose to “opt-out,” in which case they would continue to receive basic service provided by their electric distribution company, NSTAR Electric Company d/b/a Eversource Energy. The Department docketed this petition as D.P.U. 16-167.

The Town has retained Good Energy L.P. to serve as its agents in this proceeding and to assist in the implementation of the municipal aggregation program. The Town’s filing includes a form electric service agreement which will be negotiated with potential competitive electric supplier(s). The Town seeks a waiver for itself, and on behalf of the competitive electric supplier(s) chosen for the municipal aggregation program, of certain information disclosure requirements contained in G.L. c. 164, § 1F(6) and 220 C.M.R. § 11.06(4)(c).
