Code and response

**Sudbury, MA, Energy and Sustainability Committee  
Meeting Minutes November 10, 2021**

1. Call meeting to order 5:35 pm
2. Confirmation of quorum - Confirmed by roll.
3. Select Energy Solar Letter of Intent for Solar Power Purchase Agreement at DPW. -  
Looking for a member of the committee to help vet the information as we proceed with the project. Joe, Ken and Mark will all work on this.  
Questions about who's "bucket" the cost of the roofs is coming out of with respect to the SPS portion of the project. Quality of the new roofs. Capital expense vs. defrayed costs. Solar will be less expensive than current costs. Byron will refigure the savings and we will try to re-engage the SPS SC.
4. Potential Fairbank Community Center solar opportunities - How might solar be made possible - thru us or thru a contracted source.  
~10 w/f2 \$3/w  
Making sure that conduit is available.
5. Letter from Town Manager regarding Municipal Advocacy Letter for Net Zero Stretch Code and response  
  
The Energy Committee is in favor of the signing of the letter by the Arlington Net Zero Code CC select board.
6. Venk's FAQ document
7. Next meeting Dec 8th
