Item 1. Town Meeting Articles

Article 36, Create Maple Ave. Historic District

Due to town meeting debate during which Town Counsel had alluded to a possible lawsuit if a new Maple Avenue historic district was created under Article 36, the committee discussed taking a position on this article. It was decided that there was no financial impact within the article itself and therefore the Finance Committee took no position.

Article 44, Cutting Athletic Field

Discussion relating to the additional funding needed from the CPA fund to complete the athletic fields previously voted at the 2004 annual town meeting took place. The CPC's proposed amendment to the motion adding the language '*Non Town-related*' when referring to additional funding sources needed to complete the project was central to the discussion.

Motion to support the *amended* Article made by Mike Grosberg and seconded by Sheila Stewart. On vote, motion carries 7-0.

Tracy nominated Co Chairs Bob Jacobson and Marty Ragonese to continue. Mike seconded the motion. On Vote, motion carries 7-0.

Mike nominated Larry Rowe as Vice Chair. Tracy seconded the motion. On Vote, motion carries 7-0.

Item 3-Next Monthly Meeting

Due to the amount of time devoted by the Committee to the budget and to Town Meeting, Co-Chair Jacobson suggested that the committee skip the May meeting and schedule the next meeting for June. Discussion regarding the timing of transfers followed, recognizing that if transfers are needed during the month of May, the Co-chairs would call an emergency meeting. Motion made by Co Chair Jacobson and seconded by Co Chair Ragonese to schedule next meeting for Monday June 20th.

On Vote, Motion carries 7-0.

Meeting adjourned at 7:25 to Annual Town Meeting.
