

DRUG STORY THEATER PRESENTS

“BACK TO LIFE”

PLAY & PRESENTATION

“Back to Life” depicts a real-life account where a night of partying goes horribly wrong, based on a true story from one of the actors.

This performance is geared toward parents and community members to shine a light on the prevalence of deadly substances found in recreational drugs available to children

EVENT DETAILS

- Audience: Parents & Community Members; students in 8th Grade & up may attend (sensitive content discussed)
- The actors are all high school students in active recovery, and will be doing an audience talk-back after the show to answer questions & share their personal experiences
- Additionally, Dr. Shrand will discuss the neuroscience of addiction during the post-show talkback and Q&A
