Attention: Sudbury Residents and General Public  
RE: Public Health Advisory

The Sudbury Board of Health joins other local health boards and communities that are adjacent to the Sudbury River asking the Public to abstain from swimming, boating, fishing and allowing pets from entering the Sudbury River for the next 48 hours. Contact with the water may cause illness.

The City of Framingham discovered a sanitary sewer overflow behind their Center Pumping Station which was the result of a force main pipe failure. This overflow affected the Sudbury River adjacent to the pumping station. The event began at 4:30 pm on July 30, 2024 and ended at 9:00 pm on July 30, 2024.
