Lyn MacLean

Liz Radoski

The special meeting was called to order at 10:15 AM for the purpose of discussing and voting on the lowest bidder for restoration of the Revolutionary War Cemetery located in the center of Sudbury, Mass.

Jim Hodder a member of the SHC and Carole Wolfe a member of the Sudbury Historic District had met with Kai Nalenz the owner of Gravestone Services of New England and recommend their approval. A full review was made of their submission and the Commission took the following action:

Vote: A unanimous vote was taken to approve Gravestone Services of New England to be awarded the contract for Phase I of the restoration of the Revolutionary War Cemetery in Sudbury Center, Massachusetts. Town Council and the Town Manager to be informed of this official vote.

The rest of the meeting was spent going over some items in the attic until the heat got too much for us. Jim Kelly came to open the attic window and he will get the correct tool so it can be operated by others. Liz informed the Commission of the successful Decorators Meeting which was held on Thursday. Adolf and Lyn worked on the painting inventory.

The meeting adjourned at noon.

Respectfully Submitted,

Lyn MacLean
