CPC FY13:

Lyn will set up a meeting in January with Hal Cutler, Lt. Whalen of the SFD, Jim Hill and herself to discuss the bid for the Fire Suppression System for the Hosmer House. Jim has been working with a local carpenter to replace the back hall door. Hopefully it can be accomplished within the next month but the present door will be made to open and lock.

Jim Hill will show a picture to Lee Swanson of the gate we are proposing to replace the gate at the animal pound. Bud Harworth is replacing the wood around the stone wall of the animal pound with oak which he will oil and stain. Weather permitting this should be done within the next month. Fred will get a picture of the gate to Jim this week.

Budget - The SHC budget is due 14 December and Lyn has requested an extension due to our heavy schedule in the next two weeks.

Old Home Survey - Doc reported that we have completed up to the year 1900. We are now updateing some of the surveys that had been done in 1968. This is a long term project as under the Mass Historical Commssion guidelines we should go to the year 1940.

League of Women Voters - Diana reported that she attended the meeting on 15 November whereby several commissions, Society, Selectmen, Jody, and many others reported on their projects and input to a museum. The next meeting will be held on February 7th at 7:30 at the Goodnow Library.
