

This was a special meeting called to interview a candidate for the opening on the SHC. The Commission interviewed Joan Costa. At the end of the meeting it was a unanimous vote to recommend to the Town Manager Diana Warren. She had a history background and also served on the Wayland and Lincoln SHC.

The grant letter received from the Mass Hist Com was discussed and a decision was made not to apply for it. Due to the fact that it usually is awarded to less fortunate towns than Sudbury. This has happened many times to us in the past and it is a lot of paperwork for not.

A vote of 4 to 1 was cast for the Cell Tower to be installed at the Methodist Church. An e-mail will be sent to Jody informing her of the vote plus Lyn will send a response to the Preservation Committee.

A Cemetery Conference is to be held in November in Springfield and it was decided not to attend as Liz Radoski could give it. Her experience completing five of our six cemeteries has covered all the topics which would be covered. In the spring Wadsworth will be the next cemetery to have gravestones restored.

Our regular meeting will be held at the usual time and place on Tuesday, 20 October 2015.

Respectfully Submitted,

Lyn MacLean
